Thank you Mohit. Your interpretations helped a lot. Yes. I will not forget the waterfall technique.
Again, your session was amazing.
Thanks,
Vivian.

What a session! Brisk, precise and so refreshing to hear. Thanks for all the tips, especially the one about the self hypnosis. I see myself putting that into practise very often.

Hi Mohit,
It was truly an amazing session. My mother & my sister were also a part of this session, they were equally amazed.
Thank you so much.
Looking forward to connecting with you soon. 😊
