# **HOW TO REGISTER FOR THE TEAM/TRAVEL**

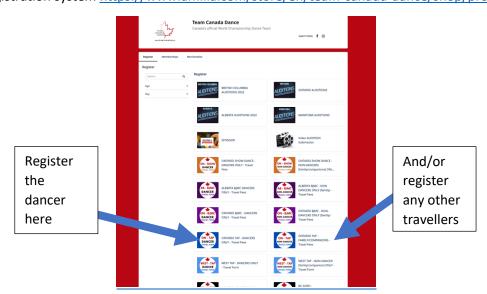

1) You can access the **Registration Portal** through our website homepage, <u>www.teamcanadadance.ca</u>

The registration portal can also be found under **Audition Info** as well as the **TAP team** page (under More).

OR

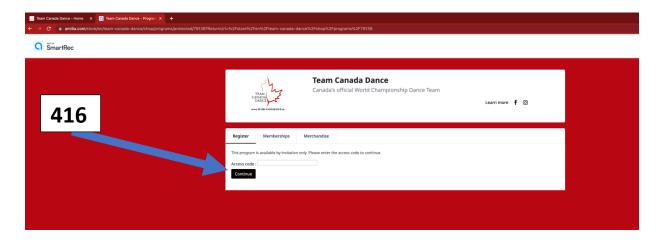

Go to the registration system https://www.amilia.com/store/en/team-canada-dance/shop/programs

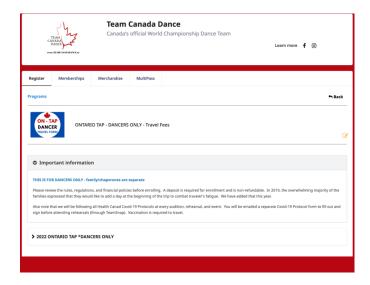

2) Select **ON TAP Dancer** (for the dancer)

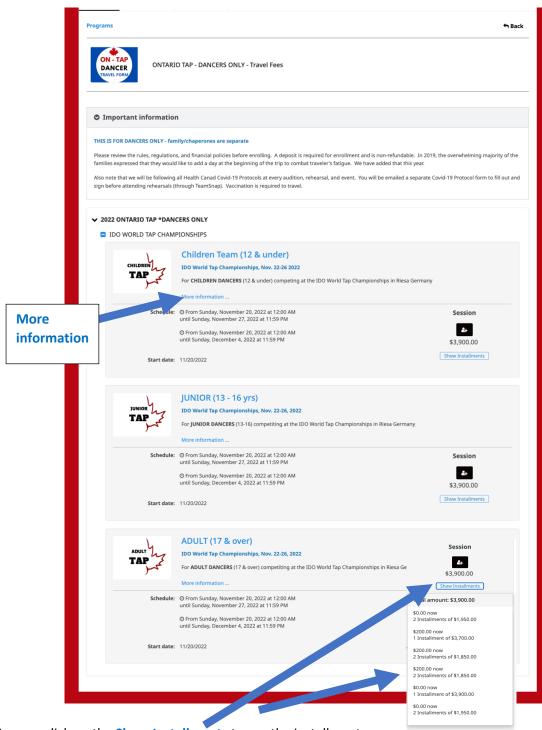

3) After you click on ON TAP DANCER, you will see a new window asking for an access code. This code is there simply so that families do not register for the wrong genre/province. It happens!
The access code for ON TAP DANCER is 416 (like the area code).

#### This will bring you to the ON TAP Dancer registration page for the trip

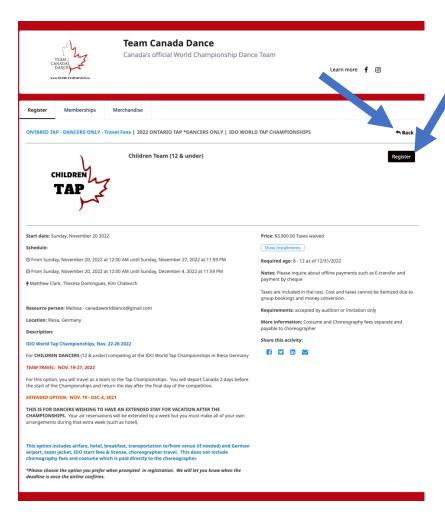

4) Click on 20222023 ONTARIO \*TAP DANCES ONLY\*, then ☐ IDO WORLD TAP DANCE CHAMPIONSHIP. Here, you will see the registration for Children, Junior, and Adult team dancers. I will use the first option for my example.

You can click on the **Show Installments** to see the installments

Or if you click on **More information...** you will see more. Click the **Back** button in the upper right to go back to the previous screen. Or you can go to the black box in the upper right corner that says **REGISTER**

Add another person

8) You will have to add each dancer one at a time.

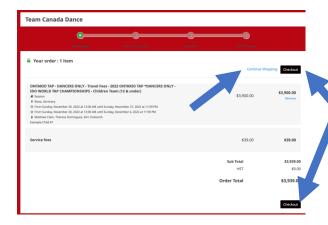

9) When you add a dancer, you will have to option of selecting **an installment plan** or choose the **full amount** <u>for E-transfers or other methods of payment.</u>

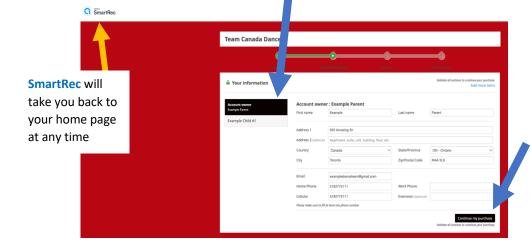

10) For this example, I will choose the full amount or \$3,900 now

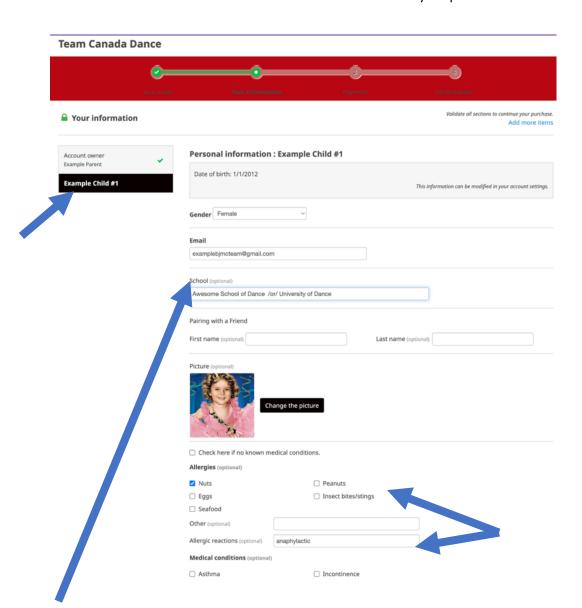

- 11) For this example, I will not choose Continue Shopping but rather the Checkout button
- 12) You will be brought to Your Order to verify

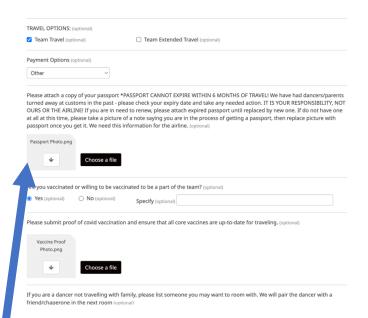

- 13) For this example, I will select **Checkout**. You can also choose the **Continue** Shopping in the upper right corner if you want to add another dancer. I will **Checkout** at this time.
- 14) You will be brought to a page with **the Account Owner information**. You will have to validate all sections to **continue with your purchase**.

15) You will then be brought to the **Dancers Information page**. In my example, I am **registering Example Child #1**. Please validate all sections to continue your purchase

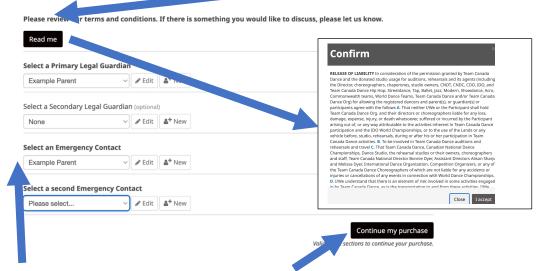

For school, please select your home studio or university if you are no longer part of a dance school. You may put where you trained as well. The picture is optional but it helps if you can add one. In terms of medical conditions or allergies, you only need to let us know anything that may impact travel or dance in any way – such as a nut allergy or any other allergy that can lead to anaphylaxis, or if you have a seizure disorder and we may be the ones that need to help at some time, etc.... Those choices are automatic with the system, we don't need to know if you are incontinent (that was already there)! Diabetes would be good to know in case there is an emergency with blood sugars, same with asthma....you get the idea. We won't share the health information unless it's absolutely necessary (for instance, a paramedic is called) or you don't mind others knowing in case there is an emergency. We always seem to have at least one parent who is in the medical field which is nice.

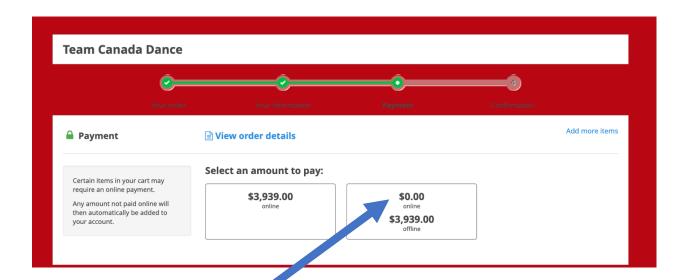

You will need to upload your **passport** photo to continue. You can use an old one now and replace it when you get a new one, or if you don't have any passport at all yet, just take a pic of a piece of paper with "passport is coming...".

16) Before you can continue the purchase, you will need to review the terms and conditions

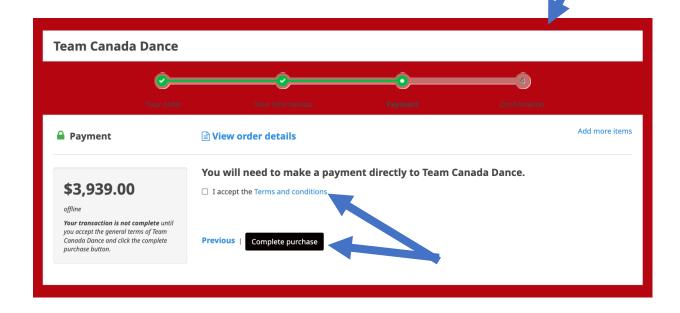

17) And fill in the **emergency contact** information. Then **Continue my purchase** which will take you to the payment page.

18) If you check out at this point, you will see the following.

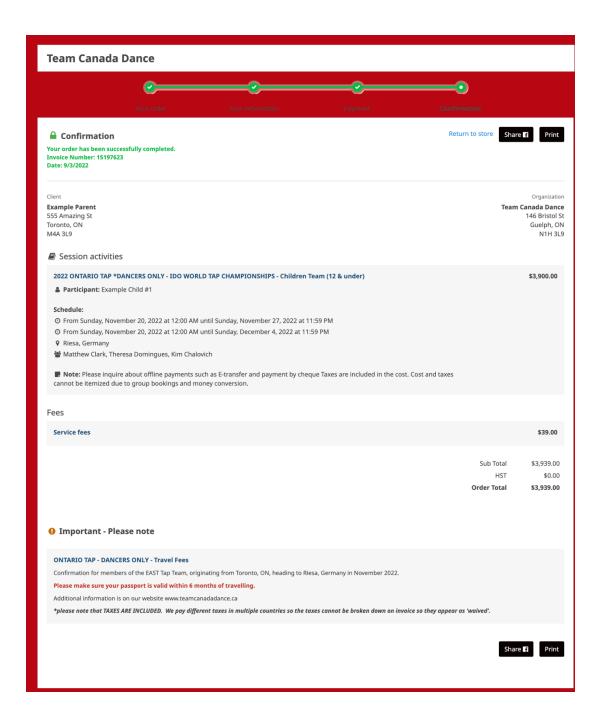

If you select the box with \$0.00 (online)/\$3,939.00 (offline), which is what you would select if you were going to pay all your travel fees by e-transfer/cheque/cash, then you will be brought to a receipt page. Your account will be updated every time you send a payment.

Accept the terms and conditions, and Complete purchase

You will get a receipt like this:

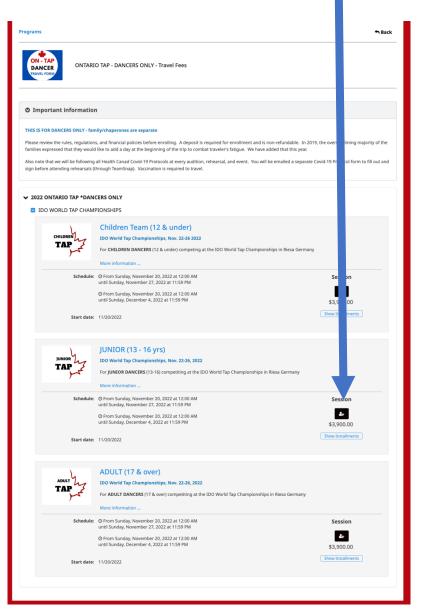

If you select **Return to Store** or **Add more items** (previous page - before you completed the purchase), you can then add another dancer or parent/sibling/traveler.

19) **DANCER EXAMPLE 2**: I will then add a dancer and select an instalment plan for you to see that example. I will add in another dancer by selecting Return to Store

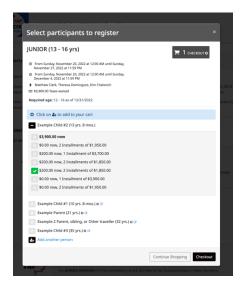

20) This dancer will be a **junior**. You can see the installments .... Click on the **black** box to get started

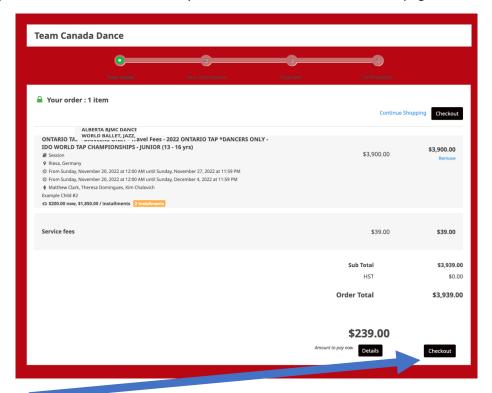

22) This dancer will be Example Dancer #2, repeat point 8) with the name/info and select an instalment plan

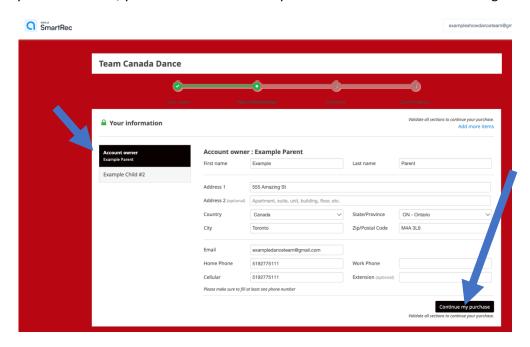

Choose the instalment plan with the \$200 now if you are paying your deposit by credit card OR choose the instalment plan with \$0 now, and future credit card instalments if you plan to etransfer your deposit but pay the rest by credit card.

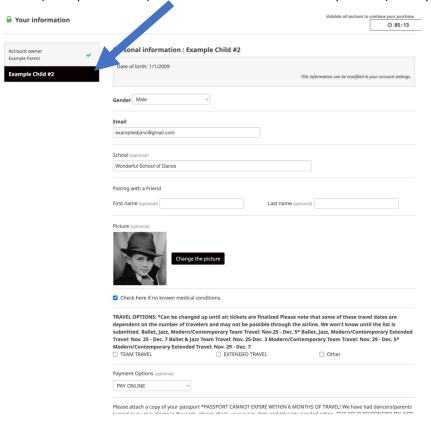

23) When you check out with this dancer, you will see the confirm Your Order page

25) When you hit Checkout, you will then have to verify the Account Owner information again

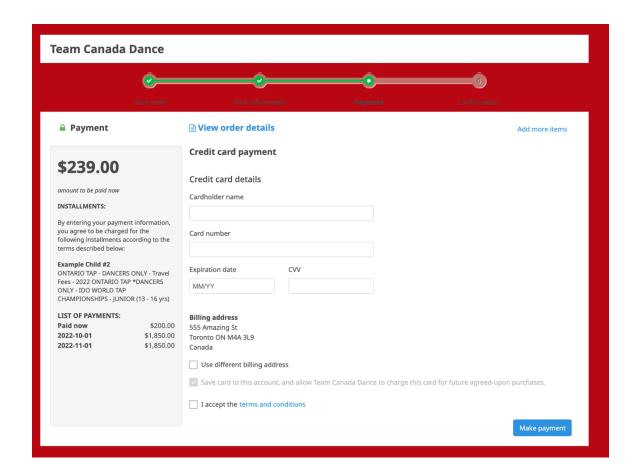

26) Then complete the (Example Child #2) dancer information as seen in point 15) example previously

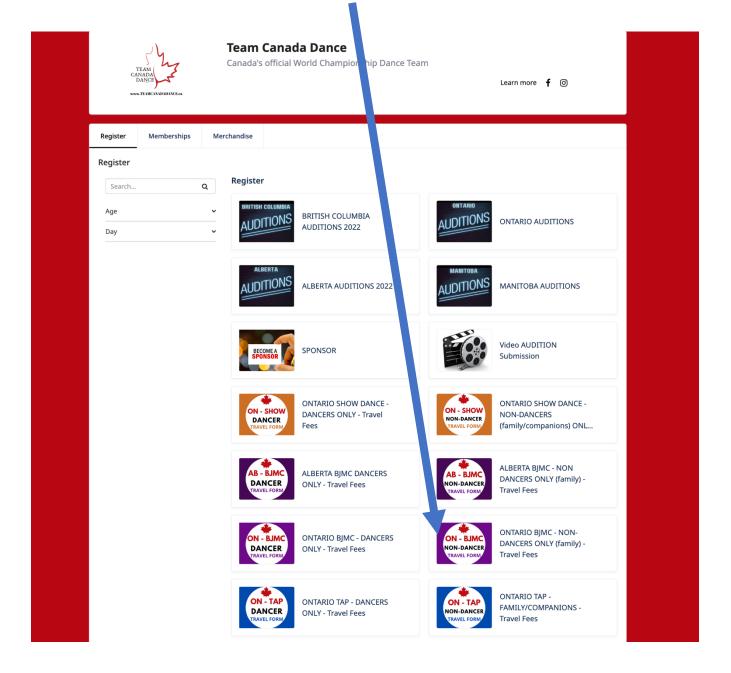

And finally, Continue my purchase

27) Because you selected one of the installment plans, you will be brought to the credit card payment page.

Enter your credit card information and you will see the receipt page. Dancer registration is DONE!

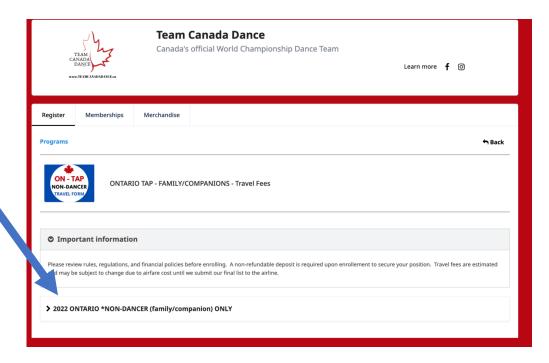

**28)** If you want to add yourself (the account owner) or another person to travel with the dancer, then you must go back to the homepage and select **ON TAP NON-DANCER (family).**

30) At the bottom, click on 2022 ONTARIO \*NON-DANCERS (family)\*, then 2022 IDO WORLD TAP DANCE CHAMPIONSHIP. Here, you will see the registration for Family/Companion Travel

Here, you will see the registration for Family/Companion Travel

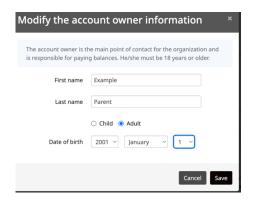

Open the **more information...** to see more information. Click **Back** to return to previous page.

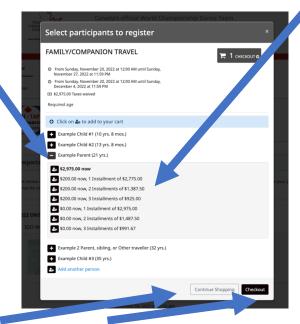

**31)** You will then need to choose yourself (the account owner) and/or another person who will be travelling. **You must do this for every traveler.** If you need to add another person, do that here.

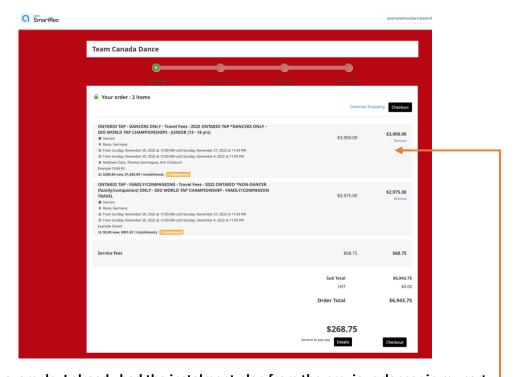

32) If you are selecting yourself (the account owner), then click on your name. If you are selecting someone else, click on their name. For this example, I am choosing a different installment plan for 'Example Parent'

Then either **Continue Shopping** or **Checkout.** I am going to Checkout right now.

33) For my examples, I had previously added Dancer #2 to an instalment plan and now myself as a parent traveler. I will then see the following summary page:

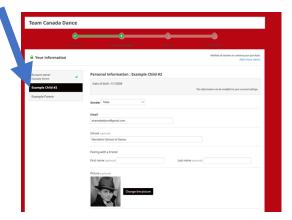

In this example, I already had the instalment plan from the previous dancer in my cart.

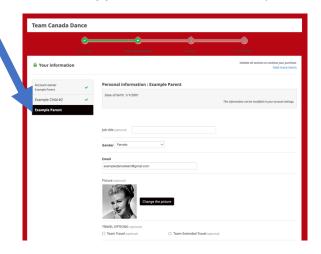

34) You will then have to either **Confirm** the **Account Owner** information again, then **Continue my purchase**. It will then ask you to confirm any other travelers that you are currently in the process of checking out. I will go through the Dancer #2 information again, Continue Purchase, then it will take me to my travel information page or the traveler I just added.

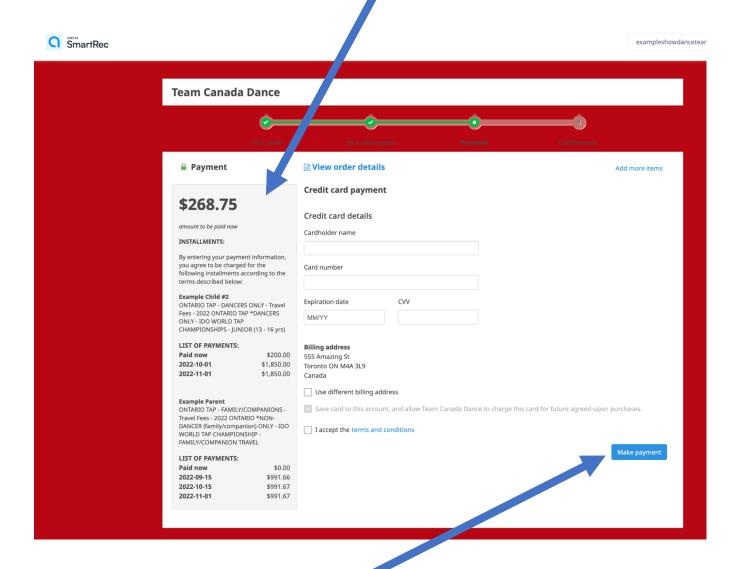

Then it will bring you back to **Example Child #2** to Confirm my purchase because I haven't completed that purchase yet. It won't bring me to confirm Example Child #1 because I chose to pay offline and have already completed that purchase. Check the information for accuracy, then **Continue my purchase** 

It will bring you to your Personal Information page where you will finish entering all the information needed for travel. Then **Continue my purchase** for this traveler (yourself, other parent/sibling).

35) When you do **Continue my purchase**, on all travelers added to this purchase **by instalment plans**, you will be brought to the **Payment** page where you will enter your credit card information (if you haven't already) or confirm payment method.

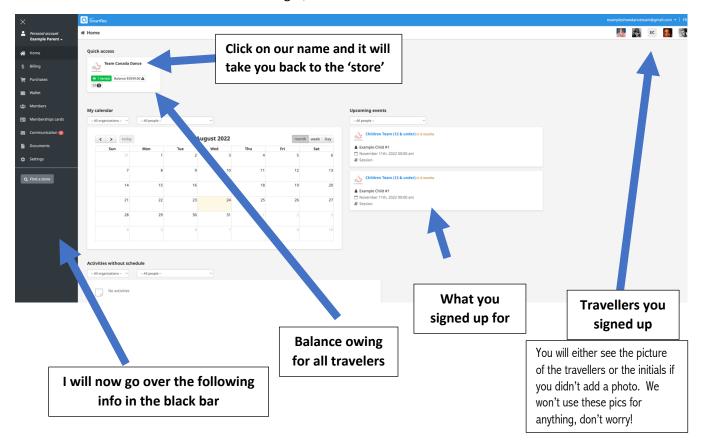

Fill it in and click on the Make Payment box on the lower right side.

You are done! You will get a receipt emailed to you. Credit Card service fees go to the company, not us. That fee comes off the first payment only.

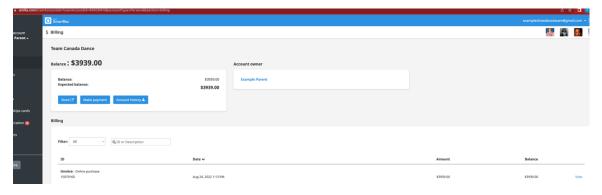

If you need to change your payment options at any time, see the following page.

## **YOUR ACCOUNT**

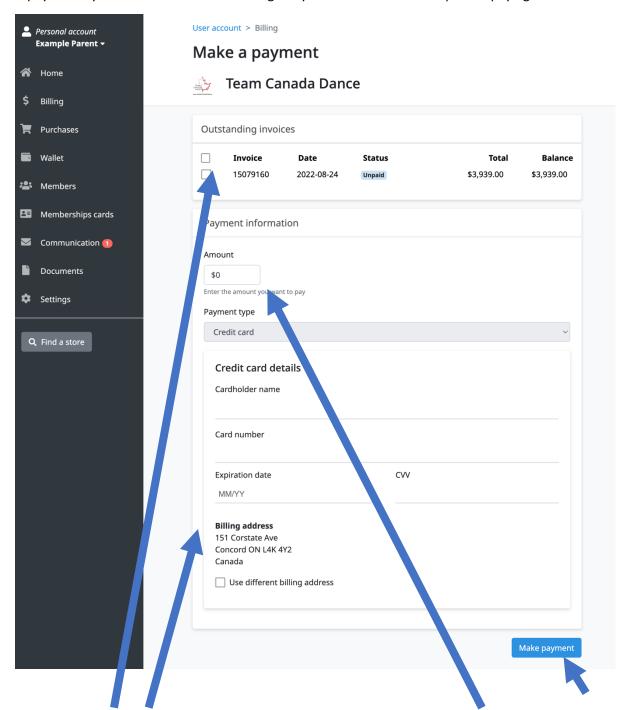

A) Go to your account home page. You can click on the **SmartRec** icon in the top left corner to get back home. You will then see the following **Quick View**:

B) **BILLING:** On the left black vertical bar you will see Billing. You will see how much is still owing, history, and you can make a payment outside of the instalment schedule with your credit card if you wish. Sometimes if there is a balance due to a held or missed payment, you can balance the account here.

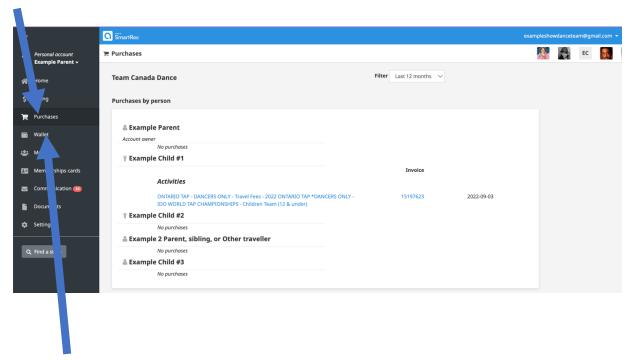

If you choose to **Make a Payment** here, you will see the payment page. This is used for making any payment by credit card outside of the regularly scheduled installment plan or paying off a balance.

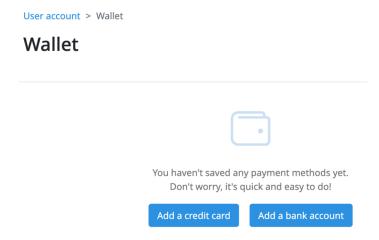

Check the *invoice* (there is only one in my example, but you may have several – you can check them all if you just want to make a general payment, not to a specific traveler), the amount you want to pay, then the credit card details. Then Make Payment.

C) PURCHASES in the black box will show you a summary of all your purchases. I didn't complete my credit card payment details for Example Child Dancer #2 or myself as the Example Parent so it won't show up here until I do finish checking out with payment.

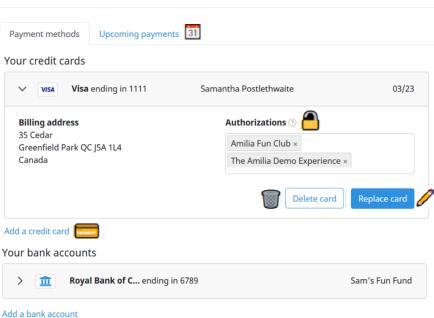

D) WALLET will bring you to your payment information. It will show your credit card information or your bank information – however you chose to pay. I didn't put in any credit cards for my example, so it shows like this

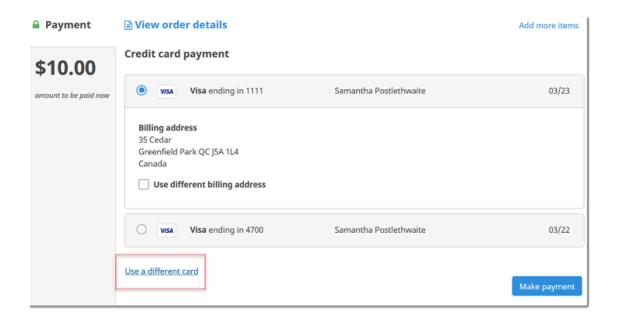

o You can add/change credit cards here. You may have several on file if this is your preference

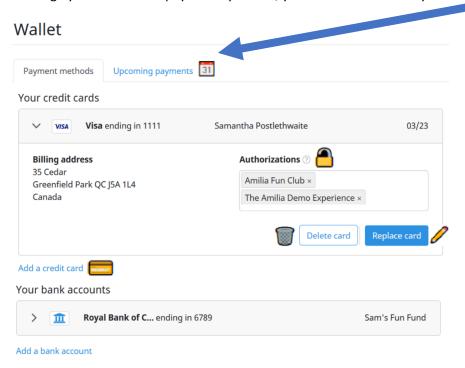

### Wallet

O When you do go to make a payment, you can either choose any cards already added, or add another.

E) If you want to change your instalment payments yourself, you can also do that in your Wallet page

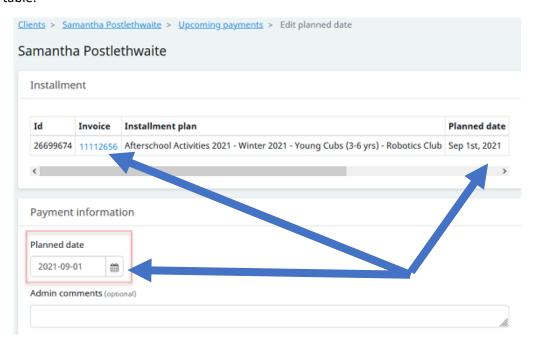

F) **UPCOMING PAYMENTS** In your Wallet, you can see your **Upcoming Payments** on the credit card instalments you chose only.

If you selected e-transfers/pay offline, then you make your own instalment schedule. As long as it is paid before November, you can pay in a schedule that works best for you

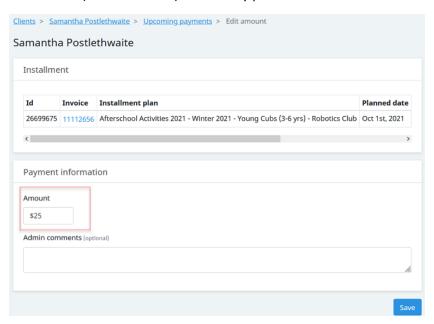

### **View Upcoming payments**

This section displays **all** your planned installment payments and your **next** subscription payment(s). You can edit the payment method on any upcoming payment with any of your saved credit card(s) or bank account(s). This in turn updates all future payments linked to the payment plan.

G) Edit Installment Date, the Amount or Cancel a Payment: First, select the installment payment(s) and click Edit Planned Date. A new table will appear. The new date will apply to the payment(s) shown in the table.

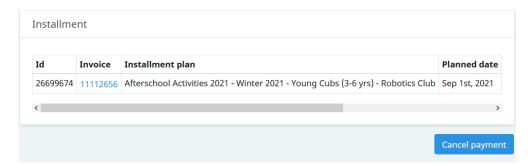

H) Edit the **instalment amount** by selecting **the installment payment(s)** and click **Edit Amount**. A new table will appear. The new amount will apply to the payment(s) shown in the table. \*Before editing the amount of an installment, it is recommended to search for the applicable invoice number to double-check which installments (and how much) are already planned.

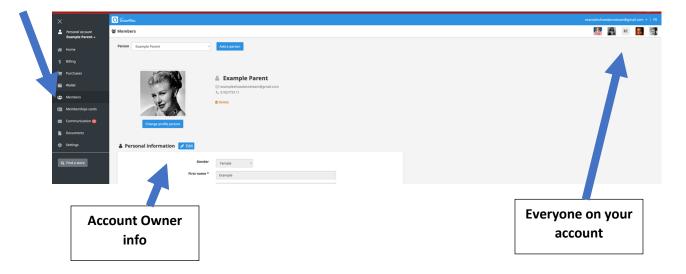

You can enter any amount, whether the value is lower or higher than what is required to pay the invoice item eligible for installments.

 CANCEL A PAYMENT: If you need to put a payment on hold or just cancel it for the time being, then select the installment payment(s) and click CANCEL PAYMENT(s). A new table will appear. The payments in the table can be called. Click CANCEL PAYMENT. A success message will appear when it is canceled.

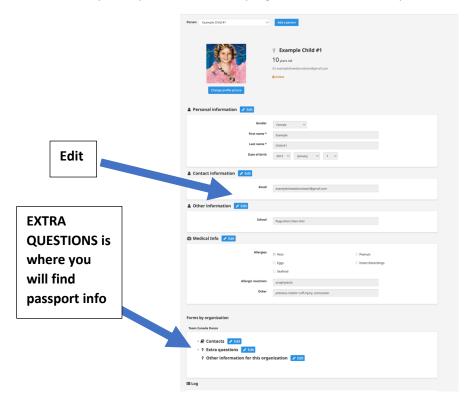

You can view canceled installments in the **Upcoming payments** subtab by filtering for **Canceled installments**.

- J) **MEMBERS:** The members tab in the black box to the left is where you will find all the information about all the travellers you added. This is where you can make any necessary changes such as adding a new passport photo or changing any other details.
- K) When you first click on the **Members tab**, it will likely take you to the **account owner** or the last person you added.

L) In this example, if I want to choose (and/or edit) **Dancer #1** in my account, I will click **on the picture** (or initial if no pic is uploaded) in the top right corner and it will open and look something like this:

- M) To change something, hit EDIT.
- N) To change passport photo, just click on CHOOSE FILE

O) Finally, the **COMMUNICATION** tab has all the emails that have been sent through the registration system.

If you have any questions, please let us know.
