Attention:

this is the tentative daily schedule to organize travels and accommodations early enough.
The official time schedule will be published after the deadline - about 3 weeks before the event.

Changes will be possible!

Some categories and age groups may start one day later than published here.
This is according to final numbers of enrolments different to our expectations.
No Category will start EARLIER than published here. Therefore you can plan and book your travel in advance.
All participants have to organize their travels so, they will be in the main hall at the door opening the morning of the competition or at least 90 minutes prior to the first round until the presentation of the winners in their age group and category. Within this time frame there can be changes because of different enrolments than expected, cancellations and/or judge's decisions.
