In this short portfolio, I reveal my ambition to convince you that, in addition to my strong motivation, thanks to my experience and professional network and culture, have all the necessary skills to capture impactful photos. My ambition is not only to become an ordinary photographer, but a true partner. “

ABOUT HASTI

I approach photography with a romantic, impressionist sensibility.

Over the past 7 years, I have had the pleasure of documenting some of the most iconic and exclusive celebrations, events, fashion photoshoots & weddings.

Royal families, various brands, businesses and individuals trust my creative approach to showcase their finest collections, capture memorable events and portray their personal photographs.

WORKS

Magazines

My works had been featured and credited in Sayyidati, Zahrat Al Khaleej, High Profile Brazil, however many of my photos were published in magazines, news paper and social media as ads and commercials for the brands I've worked with.

Life-style

I've worked with many actresses, influencers, public faces and individuals to document their life-style, family gatherings, work and hobbies.

Brands

Many fashion & cosmetic brands, local designers and retail shops trusted me and my artistic approach that always start with brainstorming sessions with the client to ensure that my work delivers their marketing concept, wither it's a product photography, indoor at outdoor fashion photoshoots or in-shop photography.

This includes perfumes, cosmetics, wedding dresses, abaya & local outfits, jewelry and

Fashion

I've done various fashion project for brands and models to portray their fashion style, outfit, make-up and accessories.

Whether it's indoor, outdoor or in studio, I reflect my unique style in every project.

Wedding

Wedding photography is my true passion. I see it as the most important day of loving couples and my work portrays that in a classy, romantic and celebrative way.

Every bride and groom have a different love story, and this needs to be photographed in a unique, personalized style.

I have done royal weddings, Khaliji weddings, Indian weddings and church ceremonies and I'm glad that seeing my work always brought smile on their faces.

Maternity

I designed and built my own maternity and newborn photography studio, and this thought me of how to stage and handle pregnant ladies and delicate newborn babies.

Events

From private royal events, to public concerts and celebrations, I've had taking part of photography and videography. I was the official photographer of major music festivals such as Layali February in Kuwait.

Also as a part of my contracts with venues and event halls, I've photographed numerous events of various types.

Hospitality

I've had long-term and short-term contracts with various 5-star luxury hotels & resorts for their events, F&B outlets, food menus and photography

DESERT

A personal art project conceptualized and created by Hasti. From the choice of outfit, jewelry, make-up style all the way to finding a perfect location in the deserts of northern Oman, she made sure to turn her exact vision into reality.

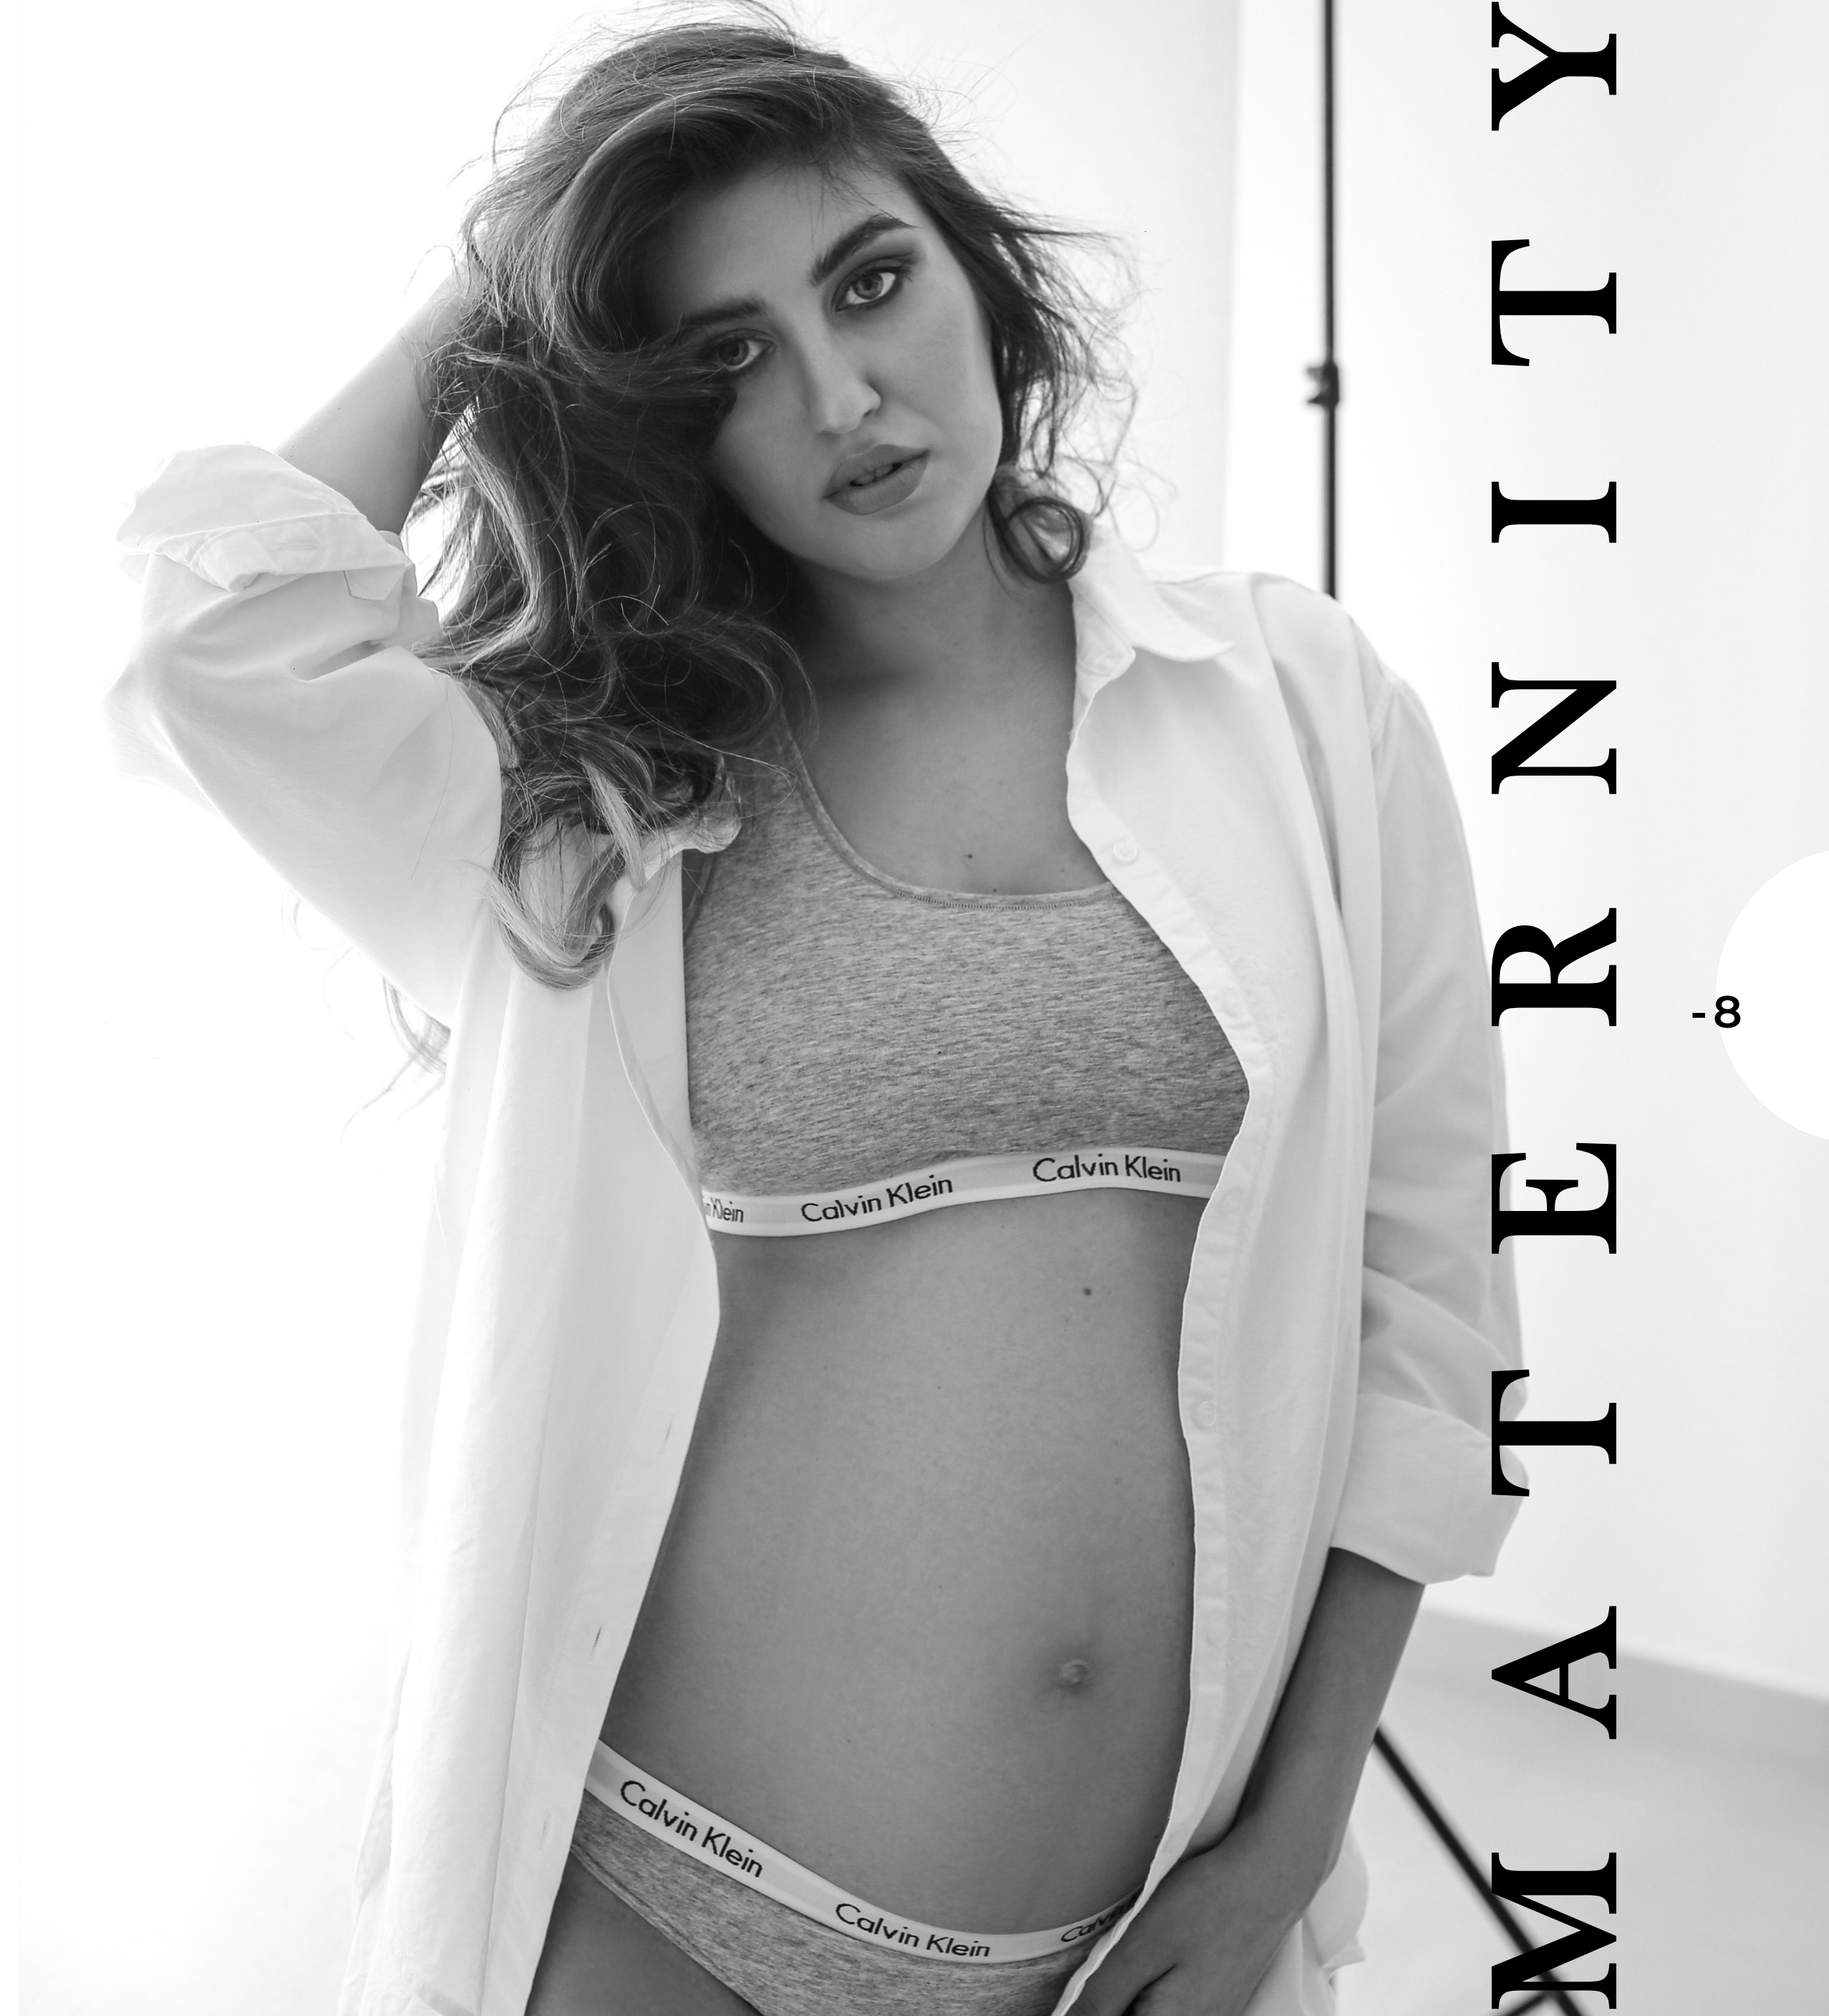

ON YOUR JOURNEY TO YOUR DREAM,
BE READY TO FACE OASES AND DESERTS.

Being pregnant is one of the most amazing and surreal experiences that you will experience in your life. You will have a unique glow and beauty about you and what a better way of capturing this, than with H's maternity photoshoot.

In 2020, Hasti designed and built her own maternity and new-born studio in Muscat, Oman, and it was the home of many exclusive maternity photoshoots.

XR PHOTOGRAPHY

“For this retro-futuristic art project, I decided to use the extended reality technology to create the desired backgrounds in a giant corner of LED screens, and the result is here, with no post-editing ”
