

Dear WPC Family,

The Session wants to keep you as informed as possible during this transition period. Please remember to read the weekly messenger where we will post updates as they occur.

The Session completed and submitted the MIF the first week of August, and made a few revisions based on COM suggestions. It was re-submitted for final approval. The MIF document should be going live this week! The Session met on Tuesday, August 9th with our COM moderator and had a good meeting. It felt nice to get back to “regular” business while we wait patiently for the Holy Spirit to guide a Transitional Pastor to us. Please be in prayer during this time that the Spirit leads the right Transitional Pastor to view our document and apply! Also, continue to pray through this transition period for patience as we sail in faith and discern what God is calling our church to do.

The Session also wants to let you know that we have been having wonderful conversations with the Worship team about how things are going. We are very blessed to have amazing talent in our church family and are grateful they share it with us! Something we have talked about, in length, is the order of our service. In the near future, we are going to be implementing some changes in the order of worship. The hope is that rearranging some pieces will help with the flow of the service. The changes are projected to start on Rally Sunday. The Worship Team and Session are open to questions and feedback on the new order of worship.

"Jesus Christ is the same yesterday and today and forever." **Hebrews 13:8**

This scripture reminds us that whatever else happens, Jesus Christ is constant. In fact, He is the only Constant. Amidst transition, God’s word assures us that He won’t change even when change in our daily lives is inevitable. Our church is going through transition but, our unchanging God has called us on an eternal mission to an eternal home—and He promises to be with us every step of the unpredictable journey.

In love,

WPC Elders
