## OASIS RAFT

NEW!

### OASIS RAFT **NEW!**

TAN 302563

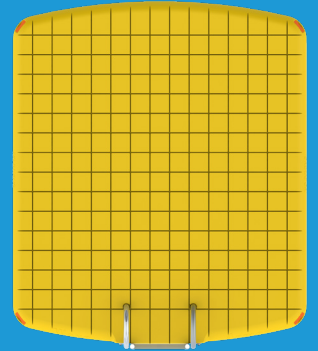

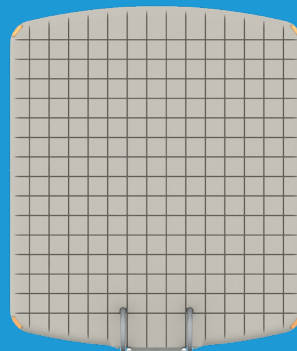

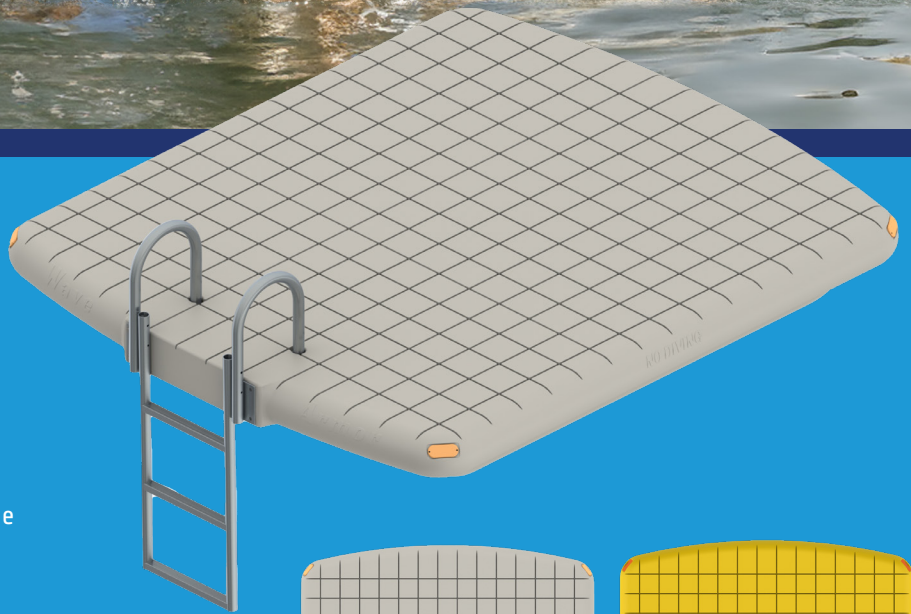

YELLOW 302702

Dims: 105" L x 90" W x 12" H

Weight: 305 lbs.

Weight capacity: 2,000 lbs.

The Oasis Swim Raft by Wave Armor – your affordable gateway to a lifetime of aquatic enjoyment. This rotomolded raft offers durability and simplicity, perfect for everyday water fun. It's a smaller, cost-effective version of the iconic Otter Island Raft, designed to last a lifetime. Features one anchor point underneath for a Wave Armor anchor kit (sold separately) or universal anchor. Includes an attached durable aluminum ladder for getting in and out of the water with ease. Ladder flips up for seamless transport and storage.

## HIGH VISIBILITY ANCHOR 300003

Wave Armor's high visibility poly Raft Anchor is a safe, do-it-yourself option to the typical store-bought raft anchor. Simply fill the anchor with sand and you've created a 140 LB raft anchor. The anchor's universal design works with any swim raft on the market.

- Includes 1
- Rotational Molded High-Density Polyethylene
- High Visibility
- Rounded Top-Side (no sharp edges)
- Top Eyelet (for connecting rope or chain)
- Top Fill hole (fill with sand to create a 140 LB anchor)
- Underside Claws (to securely hold lake bottom)
- Dimensions: 26" Diameter x 10" H

## ANCHOR CLEVIS KIT WITH BUNGEEES

All-in-one kit for the attachment of a raft anchor to your swim raft. Kit includes bungee and hardware. Available in single or double for use in different water conditions.

### 302209 DOUBLE

### 302210 SINGLE

## ANCHOR CLEVIS & HARDWARE 301547

Simple and secure, the U-Shaped Anchor Clevis fits the Island Swim Raft. Use this anchor clevis for attaching any anchor to your swim raft.

- Includes four (4) Anchor Clevis Fasteners
- Hardware for mounting to raft
