

SDET AUTOMATION MASTERY

> Raghvendra Singh (Mentor/tutor)

CORE LEARNING MODULES

Testing Foundation

- Fundamentals of testing
- Manual vs automation
- Types of testing (Unit, Integration, Functional, Regression, Performance)

Automation Frameworks

- Selenium WebDriver for UI automation
- TestNG/JUnit for test case management
- Page Object Model (POM) design patterns

CI/CD Integration

- Jenkins, GitLab CI, or GitHub Actions
- Integrating automated tests in pipelines
- Reporting and notifications

Programming for test automation

- Java or Python
- Object-Oriented Programming (OOP)
- Exception handling, collections, and file handling

API Testing & Automation

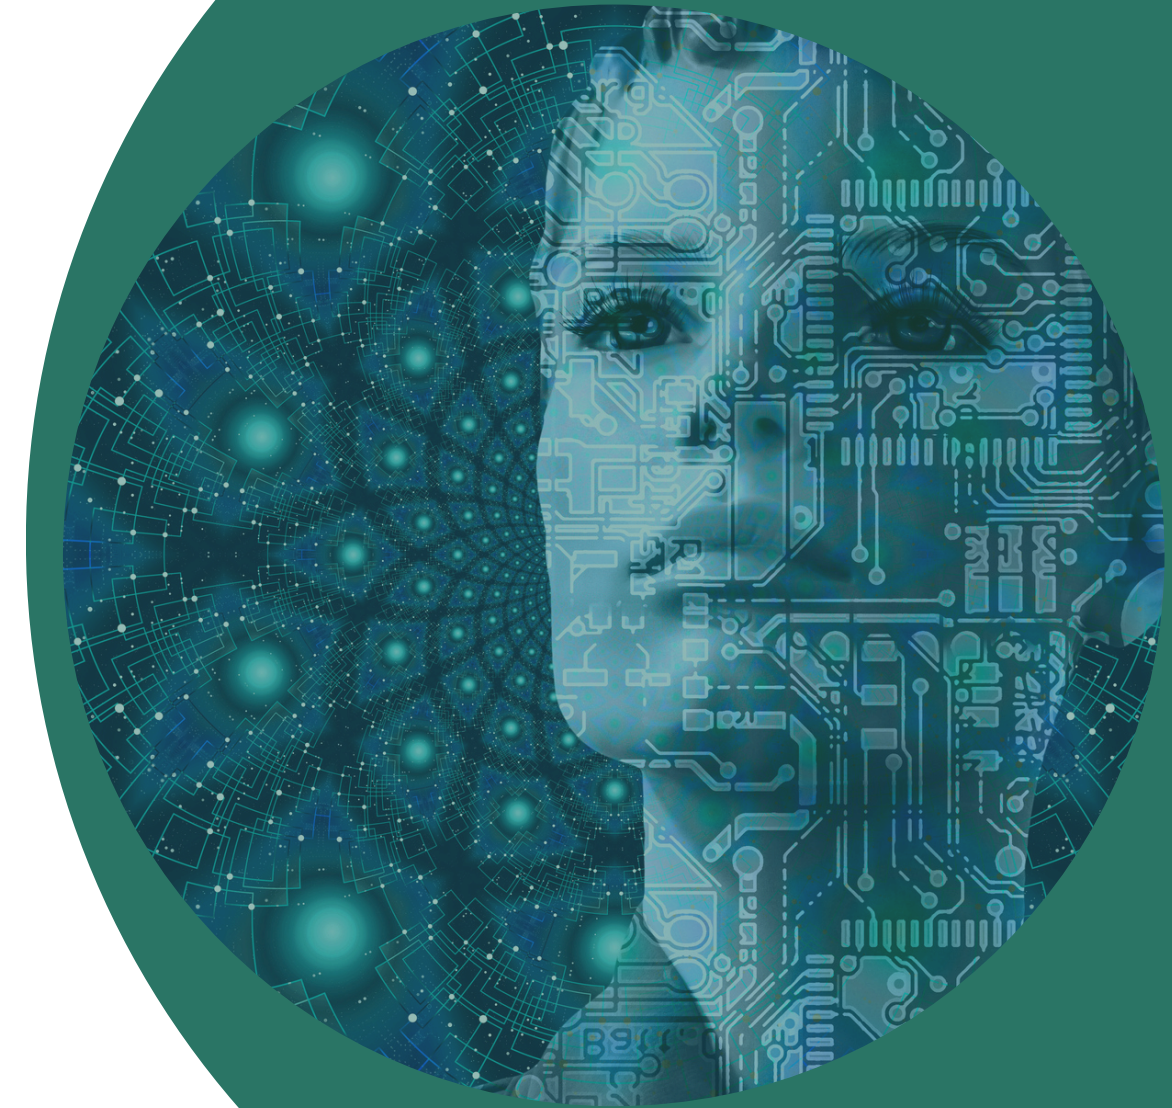

- REST & SOAP APIs
- Tools: Postman, RestAssured
- Automating API test scripts

Advanced testing

- Performance testing (JMeter)
- SDLC, STLC, Agile & DevOps integration
- Cloud-based testing (BrowserStack, Sauce Labs)

PRACTICAL OUTCOME ?

- ✓ Hands-on Projects – Build end-to-end automation suites.
- ✓ Industry Use Cases – Testing e-commerce apps, banking portals, APIs.
- ✓ Tool Exposure – Selenium, TestNG, Maven/Gradle, RestAssured, Jenkins, Git.
- ✓ Mock Interviews & Assessments – To prepare for real-world roles like Automation engineer, QA lead, etc.

WHY DIGIE KNOWLEDGE ?

FAST PACED, NO FLUFF

Direct, practical learning that respects your time

MODULAR COURSES

Bite-sized lessons that fit your schedule - not the other way around

ALWAYS EVOLVING

Our content updates as fast as the world changes - so you're always ahead.

GLOBAL CONNECT

Connect with mentors from around the world

OUR APPROACH

Learning should be exclusive, not exhaustive !

- Interactive lessons
- Experienced Mentors
- Flexible scheduling

- Affordable prices
- Proven results
- Personalized training

Guaranteed placement assistance

OUR ACHIEVERS

Arpit Singh
Mphasis / 30 LPA

Pranay Srivats
Amazon / 20 LPA

Sandeep Singh
CoinSwitch / 24LPA

Pragya
Deutsche Bank / 20 LPA

Priyanshi Saxena
Persistent Systems / 29 LPA

What about Job roles ?

- Pradeep Singh - *Data Scientist* (14Lpa)
- Giridhar Rao - *Cyber security professional* (17Lpa)
- Kusum Bhargav - *AI/ML developer* (24Lpa)
- Diwakar Jain - *SDET automation engineer* (25Lpa)
- S Sangeetha - *Security engineer* (19Lpa)
- Awijitya banerjee - *Backend mobile developer* (22Lpa)
- Kishore - *Penetration tester* (14Lpa)

*and the list goes on..... But we want to share your success story !
So join us and know the difference !*

BETTER YET, TALK TO US!
