

Project Donations

Outdoors Forever is a 501(c)(3) Organization, your contributions are Tax Deductible

1 CLUB HOUSE GROUNDS

We have identified a need for the following Projects:

- New Roof for the Club House.
- Additional Storage space for our Seeder (pollinator, CRP and Prairie Grass) and to serve as additional classroom space.

2 DUFFY ROAD RESTORATION

The ongoing projects include:

- New expanded parking lot to accommodate at least 2 school busses for use by the DNR, local schools and other non-profits to show what a restoration project includes and the results
- Signage to identify the site and it's uses.

3 KIDS BASED PROGRAMS

These programs are done yearly and are normally held at specific times.

- Kid's Day where they learn about wildlife habitat, build bird houses, forestry and environmental awareness. This is normally held the last Saturday in April.
- Kid's Fisheree is held the fist Saturday in January and ice fishing skills are taught. Lunch is provided along with some equipment.
- Hunter's Safety Class. All are welcome but the focus is on youth. The course is taught by certified instructors and are DNR approved.

Please Send your donation to: Outdoors Forever, PO Box 361, Mauston, WI 53948 and in the memo field, specify your preference and it will be used according to your wishes.
