Brickhills and Stoke Hammond Churches

The Greatest Gift

Dear Friends,

As I think about the Christmas presents I have received over the years, the ones that are the most memorable, and that are the most precious to me, have nothing to do with the amount of money that was spent on them.

I remember some presents from my family and from friends, and I remember presents that were modest, simple, and sometimes homemade. The most significant presents that I have received are ones that showed somebody knew me well, and that were in some way an expression of love. I hope that I have sometimes given presents like that as well.

The best and most important presents are those that tell us that we are loved. And the greatest present of all, and the greatest expression of love, is the gift that is at the heart of our celebration of Christmas. That is the gift of God himself - in the birth and life, and the death and resurrection of Jesus, to be with us always.

May I wish you a joyful Christmas, and a peaceful New Year.

Revd. John Waller

A personal note: I have recently announced to our churches that I will be retiring from full time ministry at the end of April next year. After that I will be moving to Worcester to live closer to my family and friends.

ST LUKE'S STOKE HAMMOND CHURCH SERVICE DATES TO JANUARY 2026

DECEMBER

PARISH COUNCIL NEWS

As a Parish Council we feel very privileged to be involved in the Annual Remembrance Sunday Service at St Luke's Church and it is an honour to be invited to place a wreath in the church as part of that service. Our Chair, Councillor Ajaz in front of a full congregation was one of several people representing local organisations and the armed forces who placed a wreath in memory of those that served and lost their lives in protecting our country. Following the service, a further wreath was laid on the village green at the base of the village sign, directly below the plaque commemorating that Stoke Hammond is a 'Thankful Village' one of 53 such communities in England who suffered no fatalities in the First World War, where all those left for the war did thankfully return home alive. The

picture to the left shows Cllrs Ajaz, Noble & Venn plus ex-serviceman Greg Peck at the Village sign after the laying of the wreath.

You may recall in the last Parish Council News we made mention of the proposed development on the land south of Newton Leys (Chadwell Farm) seeking to build up to 290 dwellings, in that the applicant had submitted an appeal for non-determination. The hearing date for the appeal is still set for the 9th December at the Buckinghamshire Gateway offices in Aylesbury, but where previously 8 days had been allocated, this has been reduced to 3. Perhaps due to the fact that Bucks Planning have advised they will not be attending the hearing and have submitted documentation advising that if the application had not gone to appeal, they would have anyway approved this development. Representatives from both Stoke Hammond and Newton Longville Parish Council will be in attendance, the latter presenting very strong arguments and evidence that the applicant's figure for increased traffic numbers that would be generated by this new development are wrong, basically incorrectly calculated and thus have seriously underestimated what the actual numbers would be. Given, Newton Longville is already a 'rat run' for traffic travelling between Newton Leys and the A421 Buckingham Road, they have major concerns that this new development would only make things far worse. As for your Parish Council, we will be reiterating our previous objections as made to the planning authorities in relation to this proposed development, but in addition and with the independent examiner of our evolving Neighbourhood Plan being very supportive and complimentary of our said Plan, we have in advance of the hearing written to inspector highlighting the following:

- As part of the Neighbourhood plan process, the Parish Council undertook a 'call for sites' in 2021. There was no submission made for Chadwell Farm (Appellant site) despite the Council contacting the owners on several occasions.

- The Neighbourhood Plan identifies specific site allocations, and that for Newton Leys South is the site to the west sitting on the corner of the Drayton and Newton Road. The examiner has concluded that the Parish Council's proposals make sense in land use terms and the reasoning of the Parish Council is entirely sound. The appellant's site falls outside of these development limits.
- Thus, the Parish Council opposes the appellants application on the grounds that it is not compliant with the Neighbourhood Plan and the examiner's recommendations, with the plan proceeding to referendum early in 2026.

The inspector has subsequently accepted these Parish Council comments.

In part still on the subject of land, the Parish Council have been involved in some exploratory discussions with Buckinghamshire Highways concerning the Stoke Road Layby and the small area of land just to the r/h side of Old School Lane as you enter from Fenny Road. With regard to the former, Bucks Highways do very much wish to be relieved of the responsibility and burden of maintaining and the continually clearing of fly tipped rubbish in the layby. They have therefore put forward a proposal to the Parish Council to gift the ownership to the Parish Council and also cover all legal costs in doing so including those associated with the process for the declassification as a layby area. Whilst much research and indeed public consultation would be required it was unanimously agreed by all councillors at our November meeting that this was certainly something that warranted further investigation. Likewise, the proposal to possibly purchase from Highways the parcel of land on Old School Lane and the creation of a proper designated resident car parking area possibly with the addition of a public EV charging provision, was also at the November meeting given a positive response. But we now have to await feedback from Bucks Highways as to whether they would sell the land and the practicalities of creating such a feature at this location.

The selling of land, or more along the lines of purchasing land, was also something on the November meeting agenda, in that it was agreed that the Parish Council would approach the land owner for the fenced off area at the entrance to Mount Pleasant with a view to creating a further Village Green. This would certainly enhance the look in this part of the village, and given there is a very low likelihood that this small parcel of land could ever be developed, with two previous planning applications having been refused, hopefully the owner may consider selling and at a non-unreasonable price. Our clerk has sent a letter to the land owner expressing our interest in a possible purchase and we now have to await to see what develops.

In case you haven't seen it on social media, the Buckinghamshire Household Recycling Centre is to be closed for maintenance works from the 1st Dec for a period of up to 14 weeks, but thankfully the also similarly planned maintenance closure of the Aylesbury Centre for the 12th Jan has now been rescheduled for some time in Sept 2026. In order to assist households, Bucks Council will be making available for collection from some of their public buildings, additional branded waste sacks which can be placed alongside your normal waste collection bins. But now some good news in that we have learnt that Bucks Council have reached an agreement whereby for the duration of the closure, Bucks Residents will be able to use the MK waste recycling centres at both Bleak Hall and New Bradwell. The standard MKCC advance booking procedure will still apply. It had previously been agreed by your Parish Council that we would over a period of time both revamp and possibly replace our bus shelters. The shelters near the Dolphin PH and that on the corner of Bragenham Side have recently been repaired and re-stained by 'The Men in Sheds' team, so should be good for a further few years, but we

still have the rather tired and not very attractive or in keeping shelter on the Fenny Road. At our November PC meeting it was agreed that our Clerk would investigate the costs and design options for the supply and installation of a new timber based shelter. The shelter would have to be Highways compliant as regards the design and its construction, but hopefully we will have some options to consider early in the New Year.

For October PC Meeting held on the evening of the 7th we were joined by 7 Members of the public (MoP) with an apology for absence by Cllr David Venn, and yet again no attendance by one of our two Unitary Councillors, and as for other than normal monthly items, the main points of interest were:

- The Council had to consider what comments if any they wanted to make in regard to the Bucks Draft Local Plan, with a deadline to make these by the 29th October. After some lengthy discussions and noting that the draft document does not detail any specific sites for possible future development, It was decided that Councillors would each review and that a combined response would be agreed and submitted by the deadline date.
- The matter of S106 Sports & Leisure funds accumulated from new home developments in our Parish and how these could be best used in our community were debated. It was felt that improvements and modernisation of facilities offered by the likes of the Sports Club and the Community Centre were certainly areas worthy of further investigation. It was agreed the Parish Council would arrange meetings with both organisations to discuss what may be feasible and of most benefit.
- The Community Funding application from the Sports Club for the sum of £350 towards the purchase of fireworks for their public display in November was unanimously supported (and what a fabulous display it was).
- PCSO Tina Hobson presented the latest crime figures for Newton Leys and Stoke Hammond for the period 1st September through to the 7th October, which were as follows:

Suspicious vehicle x1 Theft x2 Road related incident x3 (including bypass)
Drug offences x1 Anti-social behaviour x3

Road traffic collision x3 CriminalDamage x1

Tina also mentioned about the loud motorbike that travels repeatedly through the village. The police know who owns the bike, but unless it has actually been modified, there isn't much that can be done, but the owner will be visited by the police in Bedfordshire.

For the Parish Council meeting in November on the 4th held at the Newton Leys Pavilion we were at last joined by one of our unitary ward councillors, namely Caroline Cornell plus 2 MoP. We were down to 5 councillors due to illness and holidays. Details of the single planning application that was before the council and their decision and comments can be found in the Planning Applications section, and as for other items of interest discussed, these were:

- Despite the PC increasing the number of times the waste bin outside the shop was emptied on a weekly basis, it could still be found to be overflowing with litter laying on the surrounding grassed area. It was agreed that the PC would purchase and install a second matching waste bin in this location.
- It has been reported that the streetlight at the entrance to Church Rd is malfunctioning, and this matter has now been passed to our contractor.

enquiries@finehomesproperty.co.uk

- Due to legislation requirements a new IT policy had to be implemented, and the newly produced document was approved.
- The Council were asked to consider a quotation from Ethos Consultant to carry out a road safety assessment in Stoke Hammond, but the majority felt this was a lot of money to spend when the chances of Bucks Highways agreeing to or covering the costs of any such recommendations would be extremely unlikely.
- A proposal to sow wildflowers along the grass verges to the Fenny Road was well received, and it was agreed that our clerk would make contact with the Head of Highways to establish the next steps.

As the Council do not normally hold a meeting in December, the next PC Meeting is due to be held on the evening of Tuesday 13th January, starting at 7.30pm with the venue being the Newton Leys Pavilion. One might notice that this is the second rather than the normal first Tuesday of the month, but because of the festive season and the associated bank holidays, it makes it impractical and not possible to produce and publish the meeting agenda within the prescribed statutory time frame. The February PC Meeting will be back to the first Tuesday evening of the month.

In closing may the Parish Council wish all our parishioners a fabulous and Merry Christmas and all the very best for the New Year.

Stoke Hammond and Newton Leys South Neighbourhood Plan Update

I'm pleased to report the examiner has completed his review of our Neighbourhood Plan. The purpose was to ensure it is an acceptable fit with the Basic Conditions covered by the National Planning Process Framework (NPPF) and suitable to be put to a Local Referendum. He has sent the following recommendation to Bucks Council:-

Summary

5.1 *The Stoke Hammond Neighbourhood Plan has been duly prepared in compliance with the procedural requirements. My examination has investigated whether the Plan meets the Basic Conditions and other legal requirements for neighbourhood plans. I have had regard for all the responses made following consultation on the Neighbourhood Plan and the evidence documents submitted with it.*

5.2 *I have made recommendations to modify a number of policies and text to ensure the Plan meets the Basic Conditions and other legal requirements. I recommend that the Plan, once modified, proceeds to referendum.*

The Referendum and its Area

5.3 *I have considered whether or not the referendum area should be extended beyond the designated area to which the Plan relates. The Stoke Hammond Neighbourhood Plan as modified has no policy or proposals which I consider significant enough to have an impact beyond the designated Neighbourhood Plan boundary, requiring the referendum to extend to areas beyond the Plan boundary. I recommend that the boundary for the purposes of any future referendum on the Plan should be the boundary of the designated Neighbourhood Plan Area.*

Stoke Hammond and Newton Leys South Neighbourhood Plan Update Cont/d

Overview

5.4 *It is evident that a considerable amount of time and effort has been devoted to the development and production of this Plan and I congratulate those who have been involved. The Plan should prove to be a useful tool for future planning and change in Stoke Hammond over the coming years.*

The amendments recommended have been accepted by the Parish Council as none are deemed detrimental to the key policy areas within the plan.

Whilst we are still waiting for Bucks Councils confirmation that we can move to the final referendum stage, I think it appropriate to congratulate and thank all the steering group members whose contributions over the last 3 years have resulted in this positive outcome.

The process moving forward is that Bucks Council should publish the final plan and arrange a referendum of all Stoke Hammond Parishioners. If the referendum respondents return greater than 50% in favour of adopting the plan then it will become a formal part of the Bucks planning policies, specifically for the Stoke Hammond Parish which all developers must take into account when making development proposals. It's very important that parishioners take the opportunity to partake in the referendum when it occurs. The Parish Council will ensure that it is advertised widely once a date is known.

WELCOME TO THE NEWTON LEYS SOUTH SECTION

Taylor Wimpey

We are arranging a meeting with Taylor Wimpey regarding the adoption of the green spaces in Newton Leys South. This will allow us to review the outstanding items and issues we want resolved before agreeing to take ownership. We will also be negotiating a fair settlement to support the adoption process. Once the land is formally transferred, the Parish Council will be able to invest in future enhancements based on residents' priorities.

Potential Development of Drayton Road Site (Chadwell Farm)

Please see the update within the Parish Council news section of this edition of the SH & NLS News, about the planning appeal scheduled to take place in December to discuss the development of this Drayton Road site which sits directly opposite Newton Leys. This potential site for some 290 potential new homes could have a number of positive and negative impacts on Newton Leys.

As this is a public enquiry any member of the public can attend. If any of you wish to comment and speak to the inspector, then please contact the planning department in advance via email @

planningappeals.av@buckinghamshire.gov.uk

Parish Council Meetings in Newton Leys Pavilion

We are still continuing to hold Parish Council meetings in rotation between Stoke Hammond and Newton Leys and we would like to see residents of Newton Leys attend these meetings, particularly when held at the Newton Leys Pavilion. The next scheduled meeting to be held at the Newton Leys Pavilion is Tuesday 13th January 2026 starting at 7.30pm. We look forward to seeing you there.

POPPY APPEAL 2025

I am pleased to advise the following donations were collected in Stoke Hammond for this year's appeal:

Village Shop.....	£ 73.55
Sports Club.....	£ 50.17
Buttons Preschool.....	£ 21.95
3 Locks Pub.....	£ 17.76
The Dolphin.....	£ 67.96
St Luke's Church Collection.....	£ 190.10
Other donations.....	£ 32.00
Total: £ 453.49	

Thank you to all who donated. Hazel Turner on behalf of the Poppy Appeal 2025

STOKE HAMMOND GARDENING CLUB

We're unable to report on our Autumn event as it falls after the copy-date for this edition of the SH & NLS News, but we are all looking forward to our Fish & Chip supper on the 28th November, which with our speaker we know will be well attended.

PS: Quite a few members were disappointed with Cosmos handed out, saying they were all leaf and no flower. We hope they all then enjoyed the lovely display they provided later in Oct/Nov – weather to blame!

LADIES THAT LUNCH

The December Ladies that Lunch will be held at The Dolphin on TUESDAY 9 December. Members will enjoy food off their Festive Menu; Ladies have already ordered their meals but if anyone cannot now attend, please let Hazel know as soon as possible otherwise the full price will be charged. The tables are booked for 12.30 so please be on time!

The January Ladies that Lunch will be held back in the Sports Club on TUESDAY 13th JANUARY at 12.30 **unless it is very icy and slippery**. If anyone is unsure whether it is to take place, please call Hazel before 11.30 am to check. There is an answerphone.

For newcomers to the village a menu of homemade or Heinz soup is available with a bread roll and butter with tea and coffee and cake to follow. All for £3. The money covers a donation to the Sports Club for rent and electricity.

In the meantime, may I take this opportunity, on behalf of Jen and myself, to wish everyone season's greetings and a happy new year.

Best of luck, but to save you having to wait till the next edition, answers can be found at the end of this month's 'Grumpy Old Man' feature.

CHRISTMAS TREE FESTIVAL

This will be held over the weekend of Saturday 6th December and Sunday 7 December. The church will be open from 10.30am until 3pm. The Church will be open from Monday 1st until 5th December for groups and individuals to erect their trees.

Please note, however, that the company that provides smart meters will be coming into church to remove the old one and put in the new one sometime on TUESDAY. So please take care.

Groups involved are: High Ash School (they are coming in on Friday) after school, Buttons Nursery are attending on Thursday 4th, Scouts and Cubs Thursday evening, GARDEN Club are coming on Wednesday. Others taking part are Joyful Tots, Sports Club, Ladies that Lunch and the Book Club. Times still to be arranged.

We look forward to welcoming all visitors on Saturday. If there is anyone who would like to assist in helping, please do just come!

Refreshments will be served from 11am on Saturday and soup from 12.30. It's FREE entry, but donations welcome for the refreshments. We look forward to seeing you. Come and see the hard work everyone has put in!

CALLUM ANDERSON MP - Buckingham & Bletchley

Catch Up Newsletter 21/11/2025

Hi there,

This month, I had the privilege of representing Buckingham and Bletchley at Westminster's Garden of Remembrance, where I placed a poppy stake on behalf of our community. It was a humbling moment to reflect on the sacrifices of those who served. Back home, I joined commemorations in Bletchley and laid wreaths across the towns, villages, and city that make up our area.

And yesterday I spoke in the Chamber regarding Bletchley Station's eastern entrance and will follow up in a meeting with Ministers. You can read more on my website why I think it is vital to link the station directly to the heart of town.

You may have also seen in the news that there are delays to East West Rail opening. I know this is frustrating. Like you, I want a train line that works in the interests of local people. I promise I will share an update when I have one.

Elsewhere, there have been some important developments you may have missed:

- *Women can now access the morning-after pill free at high-street pharmacies.*
- *New DVSA rules will ban bots and third-party resellers.*
- *The UK will phase out key animal tests by 2026 and reduce dog and primate studies by 2030.*

Sometimes these stories get lost in the 24-hour news cycle (which in reality now feels closer to two hours), so I wanted to highlight small but significant changes - for both people and animals.

Finally, huge congratulations to Mowgli's at The Bell Inn in Beachampton for its award-winning Indian cuisine, and to The Pilgrim in North Marston for its Good Food Guide recognition and outstanding community spirit. Both venues showcase the very best of Buckinghamshire hospitality - well worth a visit!

As always, if there's anything I can help you with, please do get in touch.

Callum

CONSTITUENCY:

Over the past month in Buckingham and Bletchley I:

- **Toured the state-of-the-art engine test centre at Carnot Engines, and heard all about their latest apprenticeship opportunities (pictured).**
- **Caught up with the teams at the Swan Practice (Buckingham), and the Red House Surgery (Bletchley), and will feed back challenges to colleagues in Westminster.**
- **Celebrated the opening of the new nursery at Great Horwood CofE School. It's such a bright and inspiring space for our youngest learners.**

Are you looking for a reliable domestic cleaner?

- Extra Help Milton Keynes offer weekly or fortnightly domestic cleans
- Appointments are allocated on the same day/time with the same cleaner as far as possible for consistency
- All our Helpers are DBS checked and are interviewed and referenced by us

Rates from £19.50 per hour

EXTRA HELP®
a helping hand

Call Alexandra Willingale on
Tel: 07533 010482
www.extra-help.co.uk

WESTMINSTER:

In Westminster I:

- ***Spoke in the chamber on rural crime, flood resilience and boosting the economy.***
- ***Graduated from my Food and Farming Fellowship with the National Farmers Union (pictured). As a rural MP I take my responsibility to uphold our agricultural economy extremely seriously.***
- ***Welcomed students from Stowe School and answered (some very challenging) questions from their A-Level students.***

Constituency Surgeries

My next surgeries will be taking place at the following:

- ***Friday 5 December 17.30-19.00 - Bletchley***
- ***Friday 12 December 12.30-13.30 – Buckingham***

What are constituency surgeries? And how can I help?

Constituency surgeries provide people living within the towns, villages and city that make up the Buckingham and Bletchley constituency the opportunity to raise issues of a personal or national nature with me directly.

I can offer assistance with matters that Parliament and central government are responsible for. This will include government departments (e.g. Department for Work and Pensions, or the Home Office). I can also write to senior officials or Ministers in government departments and agencies.

*My team and I will try to help in any way that we can, but some issues fall outside of the remit of a Member of Parliament. **If your case relates to matters which either Milton Keynes City Council or Buckinghamshire Council are responsible for. I encourage you to seek support from your elected ward councillors in the first instance** – this will include housing, parking, waste collection and planning.*

I'm afraid that I cannot help you fill an application form for benefits or housing, or with legal problems. I also cannot write to private individuals (for example, your neighbours) on your behalf.

Strict parliamentary protocol dictates that MPs can only assist their own constituents. Please check that your postcode falls within the Buckingham and Bletchley constituency before coming along.

***Please head to my website:
www.callumanderson.org.uk
for details of locations and to
make an appointment***

STOKE HAMMOND SPORTS CLUB - NEWS

To start this report, the committee of Stoke Hammond Sports Club would like to pass it's thanks to everyone who attended our Fireworks event. It was hugely successful for the club and we enjoyed seeing so many people enjoy the evening. We look forward to seeing as many of you as possible at our upcoming events. Bingo and Christmas prize draw on Saturday 29th November and Christmas Bandoke on Saturday 20th December. Tickets for the prize draw continue to be available to purchase from the bar.

Our darts team continue their Winter League campaign where they currently sit bottom of the league following a difficult start to the season.

The summer pool league has ended with the A team finishing 5th in Division 1 and the B team finishing 7th in Division 2. Particular congratulations go to 13-year-old Zach Cunnington on qualifying for the end of season singles competition from the A team. Mike Thorne from the A team and Richard Gossage from the B team also managed to qualify. Well done to all 3!

Unfortunately, our Vet's football team have had to withdraw from the season due to a lack of players. There will continue to be football hosted at Stoke Hammond as Leighton Town under 18s continue to hire the pitch and another team is in negotiation to hire the ground on a Sunday.

As ever, we look forward to welcoming members and non-members alike to our clubhouse for a drink and to enjoy live sport on our large screens. We are open weekly, Monday - Wednesday & Friday from 18:30 and Saturday and Sunday from midday.

For any information about hiring the clubhouse or any general questions about SHSC please email shscsecretary@outlook.com or send us a message through our Facebook page - Stoke Hammond Sports Club.

Tom Tooth, Secretary.

STOKE HAMMOND BOOK CLUB

Mrs Palfrey at the Claremont - by Elizabeth Taylor

This book concerns an elderly lady who makes the decision to live in a hotel from now on. She chooses the Claremont in Central London and her experiences are the basis of this novel.

Most of the group enjoyed the book. Our token man said it was beautifully written and knowing the area of London in which it was situated, it gave him interest. It was described as a gentle read with reasonable descriptions of the characters. Others found it enjoyable, but sad due to her lack of visitors as others had relatives etc, popping by. The majority of the group agreed that it was a good read with only a couple of negative comments.

Conclusion: An unusual theme and worth a try.

Please see over for Book Two:

VOLUNTEER BUCKS

Find the role for you

Free online volunteering platform for Buckinghamshire

Volunteer Bucks, the online volunteer platform for Buckinghamshire, helps potential volunteers to find and apply for volunteering opportunities according to interests, location, and availability.

Launched by local charity Community Impact Bucks in September 2024, the platform now has over 300 volunteer vacancies ready to be filled from 129 organisations from across the county – from foodbanks and community libraries, to conservation charities and youth organisations.

Over 650 people have already signed up to the platform in its first six months, with 90 volunteers already having started in their role and many more in the pipeline. Extra features include an online quiz to help those unsure what type role would suit them, and an interactive map. If you are 13-17 years old or need support, there is a team on hand to help.

To register as a volunteer or as an organisation looking for volunteers, go to the Volunteer Bucks website. www.volunteerbucks.org.uk

Social media

🎉 Volunteer Bucks is 6 months old 🎉

Since launching in Sept 2024:

📢 Nearly 900 volunteers & organisations have registered

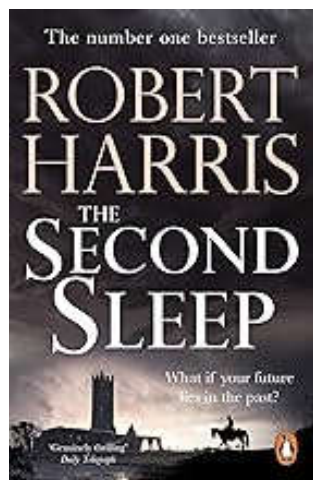

🔍 300+ volunteer opportunities uploaded

💛 90+ positions filled

Have a look at the apps and apply via the platform>> www.volunteerbucks.org.uk

The Second Sleep - by Robert Harris

A young priest is sent to investigate another vicar's untimely death in a small remote village. He has no idea why he has been chosen to go and conduct the funeral service. Reviews have called it wonderful, intelligent, absorbing and a page turner. All that the young priest believes will be tested to destruction as he uncovers strange secrets.

I imagined that the theme was so odd and a 'one off' it would not be appreciated. However, with the exception of two members of the group, they all agreed that it was clever, well written and definitely thought through, the only real complaint was a weak ending, which after all the complications, just petered out!

Conclusion: Although praised by most and therefore worth reading be prepared to concentrate.

Next first book: The Seawoman's Gift – by Sally Magnusson.

Build with peace of mind from plans to dreams.

We are a professional and reliable building company with over 30 years of experience. We have a good reputation and much of our work comes from recommendations. We work closely with customers to ensure their expectations are met and all work is carried out to the highest standard. We undertake a range of high quality building work.

Joyful Tots

Joyful Tots is an inclusive drop-in for parents, carers, those who are pregnant or anyone looking after a baby or preschool child. You can have a natter over a cuppa and babies & toddlers learn to play.

Refreshments (inc. fruit) are included. Your

first session is free, then £2 after that.

We don't charge a termly fee because we know what it's like with little ones – you never know how they're feeling till the day.

During October we enjoyed some leafy craft activities and bought our new "Tuff tray" for messy play.

We've used it for cooked spaghetti, shaving foam and dried oats for sensory play but there's more to come. During the cold weather we're snug inside with lots of toys to play with – come and join us and save on your heating bill. We're looking forward to seeing you!

Our session hours are **10am - 11.30am on Friday mornings during (Bucks CC) term times** in the side room at **Stoke Hammond Community Centre**

If you'd like more information, please call Diane 01525 270409 or Ashlynn 07930 240926 or message us on Facebook (Joyful Tots)

Stoke Hammond Cubs & Scouts Back in Action

It's been a busy and exciting few months for Stoke Hammond Cubs and Scouts since September, with plenty to celebrate across the group.

Our Scouts kicked off November by running the BBQ at the Sports Centre Fireworks Night – and what a success it was! We are extremely grateful to the Sports Club for inviting us, and to everyone who queued up to support us. We completely sold out by the end of the evening, raising a fantastic amount for our Scout funds. The young people who worked hard on the stall all earned their Fundraising badges – and very well deserved they were too.

The Scouts also enjoyed their annual trip to London. A brave bunch tackled the London Dungeons before heading to Leicester Square and Regent Street for food,

shopping and exploring famous stops like M&M World, LEGO and Hamleys. A very tired but happy troop returned home by train at the end of a full day.

The Cubs have had a lively term too, working towards their Musician and Entertainer badges. They've been making their own instruments and bringing in

others to share – resulting in some wonderfully noisy but thoroughly enjoyable evenings! They also spent a fantastic weekend at Gulliver's Land, toasting marshmallows, feeding the animals, learning about dinosaurs and joining Cubs from across Milton Keynes for a huge sleepover in one of the activity halls. Saturday was spent enjoying all the rides at the theme park.

Cubs & Scouts cont/d..

The group took part in Remembrance events, with a wreath laid at the Stoke Hammond War Memorial and other members attending services in Newton Leys and Newton Longville. We're proud of all the young people who represented the group so respectfully.

As Christmas approaches, both Cubs and Scouts have been busy preparing decorations for the Church Christmas Market – we hope villagers will come along and support their hard work. The Cubs have also been learning about Halloween traditions around the world, exploring renewable energy, and making imaginative junk-model creations. Meanwhile, the Scouts carved their own pumpkin lanterns for Halloween and took part in "Start a Heart Day," practising their CPR and emergency skills.

We are now looking forward to our Egyptian-themed Winter Camp in December, where a whole weekend of activities and adventure awaits – with the added comfort of a warm, cosy wood cabin!

Thank you, as always, to the village for your continued support. It makes an enormous difference to our young people and the opportunities we can offer them. We have just invested another four cubs, but we still have some space in the cub pack and scout troop for some more young people if they would like to join the adventure on a Thursday evening!

10 Roman Field, Stoke Hammond, MK17 9EP

TAX....

or is it? And I'm referring to any unjustified additional charge thumped on or up by any body, although the Government is of course the primary culprit.

This thought comes to me a week before our next Budget. We've been given hints as to what will happen and what won't and I for one haven't a clue. Sadly, I feel that Rachel from accounts also falls into that category. By the time this is read all will have become apparent but no doubt confusedly camouflaged.

The Government can however hide their money grabbing requirements by not calling it tax. They can play with VAT (don't say it in full - just V A T). they can fiddle with allowances. They could increase NIC (they wouldn't do that again - would they?). And of course they have other sources of income such as Council rates, Road fund licences, congestion charges, emission zone charges etc. etc. etc.

Away from the matter of tax we have questionable charges such as:

Dartford crossing charges. Opened in 1991 a charge was levied to recoup the costs of construction. This was to be dropped when costs had been covered. Well, they have been covered many times over but the charge remains.

Drop off charges at airports! Where's the justification for that?

Ear Wax Removal

At Clearer Ears we specialise in earwax removal. Our Microsuction ear treatment provides a modern, quick and pain-free way to hear better again.

Our clinic is based in Linford Wood, Milton Keynes.

For those unable to attend clinic, we offer a home visit service.

We also provide bespoke custom made earplugs and earphones. These can be worn comfortably in a variety of different environments.

For more information or to book an appointment online visit:

www.clearerears.com

Or alternatively give us a call on:

0330 320 2225 or 07588 105060

www.facebook.com/clearerearsUK

Administration fee for theatre ticket bookings. That is surely just a way of putting the price of tickets up.

“Compulsory” tips on restaurant bills which the serving staff don’t necessarily see. I prefer to give cash (if justified) and watch it going into someone’s pocket and not via the owner’s books. No doubt this will be declared for tax purposes but in any event, it will quickly be recycled into the National economy!

Notwithstanding – have a good (if frugal) Christmas.

.

St Luke's Church News

Gift Day.
We're
very
grateful

You may have heard through the grapevine that our rector John Waller will be retiring at the end of April next year. He has been with us over 20 years and we're sorry to see him go, but wish him well in his future path.

Thank you to those who came and enjoyed their refreshments at St Luke's

for all the contributions to the church repair and restoration fund towards the North Transept repairs. At the St Luke's Day service, everyone had a blessing and some people received healing prayers afterwards with positive results. The Remembrance Day service was well attended with members of the Scouts and High Ash school who both laid wreaths in addition to usual wreath layers. The collection from the service was donated to the Royal British Legion. Many thanks to all who came along our November Community Breakfast. It was our 10th Anniversary, so we celebrated with Bucks Fizz and balloons. You came out in force. Thank you all! (see pictures)

Forthcoming Special Services: (For details, see the list elsewhere)

7th Dec at 4pm Christingle service: Not just for children, this service shows us that Christ brings light to the world (& you get an orange decorated with sweets to take home!) The collection from this service will go to The Children's Society charity.

14th Dec at 4pm Carol Service: Come and join us to hear 9 Bible lessons telling the Christmas story, sing your heart out and hear the choir sing descant in the Carols and this year's anthems.

24th Dec at 4pm Crib service (children): Again, not just for children, but designed with them in mind, this only lasts for a fun half hour – ideal for even the most restless child, who can be pacified with the prospect of chocolate at the end of the service!

24th Dec at 10pm Christmas Holy Communion: We've moved the service earlier this year. We'll still have the last verse of O Come All Ye Faithful though!

4th January 10am Benefice Confirmation: Bishop Dave (of Buckingham) will be confirming three candidates in **St Mary's, Great Brickhill**. Come and meet him and ask whatever (religious/philosophical) question you want!

18th January 9.30am Café church: This is our simplest introduction to church: great for newcomers. Arrive from 9.30am and enjoy a simple breakfast of bacon or sausage bap or choice of cereal, toast or basic pastries whilst chatting. The “service” begins at 10.15 and only lasts 15 minutes, with something thought-provoking to think about afterwards. All welcome.

Church Activities and Events:

Christmas Tree Festival 6th and 7th Dec from 10.30am to 3pm (both days) at St

Luke's: Tea, coffee and home-made refreshments will be served with soup and a roll from 12.30pm. Lots of organisations are decorating trees (High Ash school, Buttons Nursery, Scouts, Garden club, Joyful Tots): come and see their beautiful creations! There's no charge for entry or for refreshments, but there'll be a donations basket.

13th Dec Wreath Making and 14th Dec Table Decorating Workshops 11.30-

1.30pm (both). Back by popular demand we will be holding these workshops led by a professional florist in the Community Centre. All materials and refreshments provided. The cost is **£45pp** per workshop. Choose one, the other or both! There will also be a raffle.

Book your place with **Nicky on 07885 472962.**

Carol Singing on the Green 21st Dec 4pm: Wrap up warm and bring a torch (a head torch if you have one – you'll need one hand for your carol sheet and another

for your mulled wine or mince pie!). There's no charge for this event and refreshments are free, but if you want to make a donation, we'll have a cash basket and card machine. John is kindly playing the keyboard for us. This event is outdoors and subject to the winter weather so if we need to make any

changes, they will be advertised on the village Facebook page. We'll also put a poster on the Green for those not on Facebook. All welcome.

The next **Community Breakfasts** are **13th Dec** and **10th Jan** at the **Community Centre**. Orders are taken from **8.30 to**

10am in December and 8.30 to 10.30am in January. There's a wheelchair ramp at the centre, highchairs for babies and we can cater for specific dietary needs and welcome your visitors too! There's no charge, but donations (cash or card) accepted if wished. Food bank donations are also collected here.

Prayers: The prayer group meets twice monthly, praying for the community, individuals, national & international issues. All prayers are in confidence. Prayer requests can be made via cards in the church, at the Community Breakfast or call a churchwarden. (see below)

The **Foodbank** in the church porch is free to all villagers who are welcome to use it **on an ad hoc basis**. If you're in desperate or regular need, phone numbers are provided for more support. There's also a family box containing family and duplicate items. If you can

donate to the foodbank financially or in goods, (in date code and no alcohol or aerosols please) contact Dave or Diane Webber (see below) Items most needed include casseroles/pies, tinned meat/fish, fruit juice, coffee and sugar.

Toy Swap Shop: is in the accessible church porch. If you have spare toys, games or **children's** books, please donate them to the Swap Shop. If you don't feel you have anything to swap, you're welcome to borrow a toy/game and return it later.

Bible verse of the month: *James 5 v 7-8:* ⁷ Be

patient, then, brothers and sisters, until the Lord's coming. See how the farmer waits for the land to yield its valuable crop, patiently waiting for the autumn and spring rains. ⁸ You too, be patient and stand firm, because the Lord's coming is near.

What does it mean?: We all go through difficulties in our lives from time to time, but if we hold firm, patiently waiting on God he will come in the end and make all things right. This can be a great comfort to people who have faith.

Funeral information: Crematoria no longer offer a religious service by default:

it must be specifically requested. The Rector can conduct a funeral service at a crematorium or at the church to be followed by cremation or burial as you wish. Also, any village resident can be buried or have their ashes buried in the churchyard if wished (for a small fee). Memorial stones must conform to the new Oxford Diocese regulations. If you'd like more details, please speak to the Rector or Churchwarden Harry Davies.

Church Benefice Website: www.brickhillchurches.org.uk.

St Luke's offers baptisms, weddings and funerals. Please contact the Rector if you'd like to discuss any of these (contact details on the Benefice website). His phone goes straight to an answerphone but he'll reply as soon as he can, or contact a Church-warden. The Rector's times off are Monday, and Friday afternoon. If you have a prayer request or enquiry, please call **Churchwardens:** Harry on 07773065271 / Diane on 01525 270409 or dianejewbber@gmail.com

PLANNING APPLICATION NEWS & UPDATES OCT – NOV 2025

In this section you will find details of planning applications received, comments made by your Parish Council, and any updates on previous planning applications.

NEW PLANNING APPLICATIONS:

PL/25/3492/FA – Burnell Farm Cottage, Drayton Road, Stoke Hammond MK17 0ED

Proposed additional storey and single storey side extension.

Clrs resolved to OBJECT to this application, as they felt the proposed additional storey would be overbearing in nature and not in keeping with other properties in the area.

PLANNING UPDATES:

Apologies, this is one we missed as the application was originally made in May 2022 and was approved without any notification to the Parish Council on the 19th June of this year.

22/01744/APP The Mellows (to the rear of Harrup Close), Stoke Hammond MK17 9DH

Erection of two dwellings, parking and proposed new vehicular access.

Your Parish Council originally objected to this application back in August 2022, citing for reasons such as:

The plans show that the two houses are proposed to be built where the attenuation pond and overflow was going in for drainage to service the already approved 16 new homes. Being 2½ story houses, the design is not in keeping with the rest of the development in this conservation area.

In association with the 16 homes that are already agreed (16/03698/AOP), these two further houses would effectively mean 18 new homes (or 17 if you take into consideration that Latrigg will be knocked down), and provision should therefore be made for affordable housing.

Environmental concerns over the 43 trees the applicant wants to take down.

The roof windows will likely overlook into the frontage and gardens of the houses in Harrup Close.

In their decision, Bucks Planning/Council stated that because they cannot demonstrate a 5-year land supply for new homes they are operating in what is known as a tilted Balance which effectively allows them to override normal planning parameters and constraints including the provision of affordable homes and they also felt the design of the homes was not out of keeping with those surrounding and would not adversely overlook nearby homes. The tree officer felt there would not be an adverse impact on the existing trees. As regards the attenuation pond this has since be relocated to another area on the development site.

Just a reminder that Buckinghamshire Council have recently updated their planning website, so that the previous 4 separate planning regions have now been combined into one single system. However, this only applies to applications submitted after the 8th August 2025. For applications before this date, you will have to select 'View applications we received **before 8 August 2025** on our existing Aylesbury Vale System'. Whether the old or new system, one can still enter the application reference or use the map search facility via the following website: <https://www.buckinghamshire.gov.uk/planning-and-building-control/building-or-improving-your-property/view-and-comment-on-a-planning-application/>

EDITORS NOTE

I hope you like the front cover photo looking out towards St Luke's Church. This was taken by Jackie Tooth, one of our volunteer helpers that deliver the SH & NLS News to homes in the parish of Stoke Hammond. Thank you, Jackie, and to all of our volunteer delivery helpers, and not forgetting all those who contribute articles and updates for each bimonthly edition of the SH & NLS News.

As this is the last edition for 2025 but equally well the first edition for 2026, may I wish you all out there a great and enjoyable Christmas and all the very best for the New Year.

May I please have copy for the February/March 2026 issue by the **23rd January**

Greg Noble, The Birches, Church Road, Stoke Hammond. MK17 9BP
