## FREQUENTLY ASKED QUESTIONS

### ***CAN WE BRING OUR OWN FOOD OR DECORATIONS?***

- Yes, you can bring additional food and preferred beverages to your picnic on top of what's included. However, we do not provide any boards or decorative items for the food you bring, and all garbage/ food scraps are your responsibility to dispose of.

We recommend you advise what decorations you will be adding, and it will be at your own responsibility to set them up yourself.

### ***HOW DOES IT WORK WHEN I BOOK A PICNIC?***

- We will message within 24 hours of your booking to go through the details. JKE picnic's goal is for our clients to have a stress-free experience with their event. Simply book your picnic, arrive and enjoy.

### ***WHAT IF THE WEATHER IS BAD?***

- Not a worry! We provide a few options. We can arrange a last-minute picnic inside your private home the day of your scheduled event. We're currently looking at finding an indoor venue in Halifax, NS.

We know Halifax's weather can be unpredictable, so we offer a 3-month credit voucher in case we cannot find a backup suitable location.
