Note From the President:

What a week it has been. I hope everyone is ok from Hurricane Milton. Canceling the club meeting turned out to be best because DeBary and Orange City are a mess.

We have a club member that had significant damage and flooding to his home. Please keep Doug Melvin in your thoughts and prayers. His house has had several feet of water go inside. The club will be doing something in the near future to help him out, so please keep an eye out.

At this time, we have decided to cancel the October Halloween Party/Hunt. We do not plan to reschedule it.

We will have our regular meeting in November and the Charity hunt sponsored by Minelab as well. Keep an eye out for more details once we receive them.

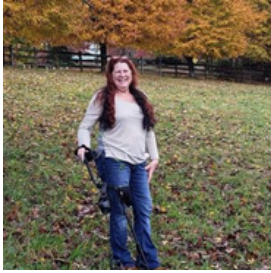

At the November meeting bring in all of your finds from October and November.

Also at the next meeting, we are looking for volunteers to be nominated for the board. Any position is available. I personally will not be running for the board next year so we are looking for a president.

Please stay safe and reach out if you need anything at all.

See ya at the meeting.

Gary gave awards to Bill for his pennies, Rick Johnson for a ring recovery. Bryan Mott for a ring recovery.

Carolyn announced the club hunt would be at Frank Rendon Park and that Alan had a few tricks up his sleeve.

Carolyn announced that October would be a potluck and more of a halloween party. The members were asked to bring a side or dessert and come dressed up.

Break was called.

Carolyn explained the November Hunt would be a charity hunt sponsored by Minelab with the money raised going to the church, which the members voted on.
