Presidents

Corner

Well, it is another year gone by and a lot has happened. It has been a good year for some and not so good for others. I really do hope that this next year is better for you. The club has had some great outings and some good finds have been on the find of the month table. We started the year off with our hunt in downtown Sanford and the finds were good. The club has had some outstanding weekend outings and everyone who attended seemed to have a great time. Our spring outing at Camp Aurora produced some great finds and the food was great. The fall outing was at Sebring and also was a great hunt. The finds were plentifully and there was some good jewelry and silver finds. Also at Sebring the Gold Coast Club invited us to hunt the old Sebring racetrack. Our last hunt of the year was at the girls academy and there were several wheat pennies, silver coins and some good jewelry finds. Thanks to Al, Grady and Ralph for obtaining permission for us to hunt this site. All in all a great year for our club members. We had nominations

for the officers to lead the club for 2001. I asked for some one to step up and run for president. Guess what? Some one did step up and it was me. So the club will be stuck with me for another year. Al Mills volunteered for the vice-presidents opening and Grady Cox volunteered for the 2nd vice-presidents opening. Thanks guy's. The Secretary's position was held by Chuck Hosbein and he graciously accepted for another year. Lonna Leist also accepted the job for Treasurer's job for another year. So it looks like this will be your club officers for next year. If it was not for people stepping up and accepting these positions we would not have a club to participate in these activities. Also give a great big thanks to Fred and Nancy Schimmel for running the prize table and to Rob Loucks for handling the find of the month table. I also want to thank Doug Melvin and Jerry Hitson for their participation as officers.

There will be an article in the February issue of Western Eastern Magazine about the finding of the gun that killed officer De Salvia. It will be in the Club News by Betty Weeks.

We want to remember those on our do better list-- Bob and Faye Alaxender, Don Baldwin, Joan Kirby, Sue Rainey, Peg Walker, Tony Krapil Try to give these people a call or send them a card. If we haven't seen your face in a while, we have missed you. We will see you at the next meeting and don't forget "bring a stranger".

President Ray Leist

**- SECRETARIES REPORT FOR
NOVEMBER MEETING
SUBMITTED BY CHUCK HOSBEIN**

The November meeting of the Central Florida Metal Detecting Club was called to order at 7:35 pm by president Ray Leist. Ray opened the meeting with his joke of the moth. This month's joke was about a man who went to the social security office and should have applied for disability. We had a few guests at the meeting who were recognized as well as those celebrating birthdays and anniversaries during the month of November. Secretaries and Treasurers reports were read and accepted. The bank balance was \$1299.79. Our guest speaker was John Fetner from Kellyco. John brought in several of the new detectors on the market as well as a large variety of digging tools, scoops and hats. John discussed several of the features of the new detectors. The new White's water machine looks very promising. John also answered several questions posed by the club members. If you missed the November club meeting, you missed out on the free pouches given to club members by John from Kellyco. The annual Christmas party will be held at the December meeting. There will be a short club meeting followed by the party. The club will be providing turkey, dressing and giblet gravy. Everyone should plan on bringing food dishes to go along with the meal. As in the past, the party is open to members and their family. If you bring a guest, please bring a little extra food. Volunteers are needed for set up of the party. Volunteers should plan on being present by 6:30 p.m. The club voted for officers of the FMDAC. Our votes were cast for the following positions.

President—Carolyn Garrett Vice-President — Bernard Grabowski
Treasurer—Shelly Hatcher
Secretary—Frank Colletti

Nominations for officers in CFMDC were accepted for the following positions. Since there were no positions with more than one nomination it looks like the officers for 2001 have been elected.

President—Ray Leist
Vice President—Al Mills
2nd Vice President—Grady Cox
Treasurer—Lonna Leist
Secretary—Chuck Hosbein

Carol Taylor had information at the November meeting about a cruise package for May 12-19. If you are interested contact Carol for additional information. Lonna asked if the club would like to change the current bank we use. Currently the service charges are very high and the club is losing money with them. A vote was taken and the club voted to change the bank to Lonna's credit union. From now on all checks to the club will have to be made out to Lonna. Ray read a letter from Betty Weeks concerning the club's effort to locate the gun for the Orlando Police. There will be a write up in the Western/ Eastern magazine early next year. Ray also presented awards to the club member's who assisted in the hunt for the gun. The club will have a day hunt on November 18th in the Apopka area. Everyone needs to bring lunch and drinks. The club will donate \$100 to the school as a thank you gesture. Meeting adjourned at 10:20 p.m.

WE ARE HAVING A PARTY

This is our annual Christmas party. It will be held at the club meeting place and right after a short business meeting we will have the serving of the food. All club members and their families are invited. Also any friends that would like to come are welcome. Each family or member should bring a covered dish and enough food for your family and guests. There will be NO raffles. There will be find of the month and drawing for bank night. So come on out and enjoy your Christmas Party.

Take out a one dollar bill and look at it!!!!

The one dollar bill first came off the presses in its present design. This so called paper money is in fact a cotton and linen blend with red and blue minute silk fibers running through it. It is actually material. We've all washed it without it falling apart. A special blend of ink is used, the contents we will never know. It is overprinted with symbols and then it is starched to make it water resistant and then pressed to give it that nice crisp look. If you look on the front of the bill you will see the United States Treasury Seal. On the top you will see the scales for the balance—a balanced budget. In the center you have a carpenter's T-square, a tool used for an even cut.

Underneath is the key to the United States Treasury. That's all pretty easy to figure out but what is on the back of that dollar bill is something we should all know. If you turn the bill over, you will see two circles. Both circles together comprise the Great Seal of The United States. The First Continental Congress requested that Benjamin Franklin and a group of men come up with a Seal. It took them four years to accomplish this task and another two years to get it approved. If you look at the left hand circle, you will see a Pyramid. Notice the face is lighted and the western side is dark.

This country was just beginning. We had not begun to explore the West or decided what we could do for Western Civilization. The pyramid is uncapped again signifying that we were not even close to being finished. Inside the capstone you have the all seeing eye and Ancient symbol for divinity. It was Franklin's belief that one man couldn't do it alone but a group of men, with the help of God, could do anything. "IN GOD WE TRUST" is on this currency. The Latin above the pyramid, ANNUIT COEPTIS, means "God has favored our undertaking. The Latin below the pyramid NOVUS ORDO SECLORUM., means "A new order has begun. At the base of the pyramid is the Roman Numeral for 1776. If you look at the right hand circle and check it carefully you will learn that it is on every National Cemetery in the United States. It is also on the Parade of Flags Walkway at the Bushnell, Florida

National Cemetery and is the centerpiece of most hero's monuments. Slightly modified, it is the seal of the President of the United States and it is always visible whenever he speaks yet no one knows what the symbols mean. The Bald Eagle was selected as a symbol for victory for two reasons. First he is not afraid of a storm and is strong and smart enough to soar above it and he wears no material crown. We had just broken from the King of England. The Shield is unsupported and this country can now stand on its's own. At the top of that shield you have a white bar signifying congress a unifying factor. We were coming together as one nation. In the Eagles's beak you will read, "E PLURIBUS UNUM", meaning "one nation from many people". Above the Eagle you have thirteen stars representing the thirteen original colonies, and any clouds of misunderstanding rolling away. Again we were coming together as one. Notice what the Eagle holds in his talons. He holds an olive branch and arrows. This country wants peace, but we will never be afraid to fight to preserve peace. The Eagle always wants to face the olive branch, but in time of war his gaze turns toward the arrows. They say that the number 13 is an unlucky number. This is almost a worldwide belief. You will usually never see a room numbered 13 or a 13th floor on any hotel. But think about this: 13 original colonies, 13 signers of the Declaration of Independence, 13 stripes on our flag, 13 steps on the pyramid, 13 letters in the Latin phrase ANNUIT COEPTIS, 13 letters in "E PLURIBUS UNUM", 13 stars above the Eagle, 13 plumes of feathers on each span of the Eagle's wing, 13 bars on the shield, 13 leaves on the olive branch, 13 fruits, and if you look closely 13 arrows. And for minorities, the 13th amendment.

Thanks to Tony Krapil for this information.
