Note From the President:

We are more than halfway through the year and half way through summer. The temperatures outside have been extreme. Please stay hydrated and let someone know where you are going!

This weekend we will have an open hunt at Frank Rendon Park in Daytona Beach. It will be a night hunt and no flashlights are allowed! This hunt is a memorial hunt for Ray Leist and all the other Florida clubs have been

invited. It will be a fun hunt and should be nice and cool.

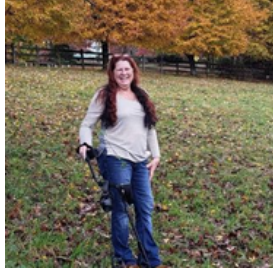

Lately I have seen a lot of our members out returning lost items, especially rings on the beach, to members of the community. This is amazing and demonstrates what our club is meant to do! Thank you for all your hard work.

Remember there will not be a club hunt in August due to the heat but we will have another night hunt in September.

Minelab is working with us to put on an amazing hunt for Thanksgiving. Stay tuned for details!

See you at the meeting!

Carolyn

Secretary's Report

December Meeting Notes

By: Debbie Bishop

The meeting was called to order on June 7, 2024 at 7:30 PM by Carolyn.

Gary asked the members to stand for the Pledge of Allegiance. Debbie asked for any amendments to the newsletter.

Carolyn informed everyone there would not be a club hunt in June due to the heat but we would have a night hunt in July at Frank Redon Park. It will be held on 7/13 because there is an event at the Mel Fisher museum that a lot of people are going to.

Carolyn called the birthdays and anniversaries to the front.

Next new members and guests were called to the front as well.

Carolyn then opened the floor to the members to discuss hunts that take place across the nation that are fun.

Some hunts mentioned were: Rush to the Rockies, Treasure Hunt of Carolinas, Culpepper hunts, small hunt in Louisiana and hunts by Sal. Next we discussed the upcoming charity hunt in November that Minelab is sponsoring. Open discussion was brought up about supporting the church for a charity over ESTHER. There was a vote but we decided to take another vote next meeting and perhaps split between the two.

Break was called.

Gary handed out certificates to Ed Duffy, Rick Johnson and Jim Tippet for returning lost items.

Alan, Gary and Carolyn did the raffles.

Rob and Gary did the finds table.

Carolyn called the meeting to an end and asked for help putting the room back the way it was.

REMINDER: Club dues are \$25 for the year and there is a one-time membership fee of \$15. If you are paying by check, please make it out to "The Central Florida Metal Detecting Club"
