Carolyn Harwick:

**From The
President's Desk**

It is August, which means high temperatures, active tropics and no club hunt. Please make sure that you are bringing a lot of water if you are going out detecting.

This month at the meeting, we are going to have another fun activity. Make sure you bring your pinpointer! You never know what you may have a chance to win.

I know we still have a few months left this year, but we do have nominations in November and elections in December. There will be several positions that we will need to fill so start thinking about running for a spot on the board.

We will also start planning for our Christmas party soon. So if you have any suggestions about a catering company, please let us know. We have to set this up months ahead of time before they are booked.

The board has also been working hard behind the scenes and have some exciting activities coming up in the fall. When we have more information, we will let you all know.

If you have found or attempted to find any lost items, please let me know before the meeting so that I can recognize your hard work.

See ya at the next meeting!

Secretary's Report JULY 2019 Meeting Notes

By: Michael McClure

The July meeting of the Central Florida Metal Detecting Club was called to order at 7:29 pm, July 12, by club president, Carolyn Harwick.

The meeting was opened with the Pledge of Allegiance led by Marc Hoover.

Secretary Report-

Jim Fielding noted that the time for filling vest pockets during the adult contest was 2 minutes, not 1 as published. No other changes were recorded.

Treasurer Report-

Vickie reported that 2 new members had joined this month.

Carolyn Harwick -

Reported that the date for the 8th Annual CFMDC Silver and Relic Hunt has been set, it is April 18, 2020. The hunt will again occur at Moss Park.

Carolyn Harwick and Jim Fielding -

Welcomed 4 guests to the meeting.

July Anniversaries:

Debbie and Joe Bishop,

July Birthdays:

David Gretzinger, Karen Arrington, John Norman

Carolyn Harwick -

Come out July 20 around 8:30pm for the Ray Liest Memorial Club Hunt. This is a night hunt, no lights will be allowed. Location : Frank Rendon Park, Daytona.

Update on the lawsuit (Banana Split): Lawyer reports the case has been dropped, WE WON.

Carolyn asked all members wearing a black shirt to approach the front. She then called an impromptu session of "Get To Know Your Fellow Club Member". Each was asked to give their name and a brief history of their metal detecting experience. 12 members participated.

She then had everyone who had worn their pouch to form a line around the back of the room. She then pulled slips of paper with random items written on them, and first to bring her that item won a silver. Things like a paper clip, rubber band, pen, a drone (no one had this in their pouch).

BREAK-

15 minutes can get you
800 or more calories

Carolyn Harwick -

Welcomed Tanya and John Norman, Darrell Wilson to the club.

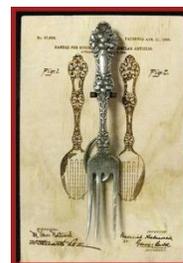

Carolyn Harwick & Jim Fielding -

Selected Jim Hooks, Gary Flatt and Chuck Hosbien to be the panel for "Ask The Experts". Together they have over 100 years experience.

The pouch wearers were asked to line up again, this time looking for an ice cream cone (nope), comb, cell phone and a coin.

Jim Fielding -

Jim asked for suggestions for activities we can hold at the club meetings. A pinpoint game of some type garnered most interest.

Carolyn Harwick-

The Best Display of the Month as picked by the board is Silver Fork brought in by Thomas Shindel.
