Note From the President:

November is here and we are almost done with 2024! Which means that nominations for club officers will take place at the meeting on November 8, 2024. Please come ready to nominate and volunteer!

We missed the meeting and club hunt in October due to the hurricane. We hope everyone is doing ok and reaches out if they need anything at all.

We have a club hunt coming up on 11/23 at the church. It is a charity hunt and is open to everyone. The cost of the hunt is a minimum of two non-perishable items that will be donated to the church pantry. We will start at 9 am and be finished by around 11. After the

club hunt, Minelab will be running the Masters of Metal contest. It will run from about 12:30 to 4 on the 23rd and wrap up on Sunday the 24th. Prizes will be awarded and teams moving forward to the regional competition will be announced. It is a fun time and we really need teams to sign up to help Debbie out. This year you only need 3 team members with 1 alternate and the price for the team is \$50. Please sign up so we can continue to have Minelabs support in the future!

I want everyone to take a moment while reading this and say a prayer or send positive thoughts to Vickie Chilla. She recently lost her fiance and our club member John Norman. He was an amazing friend, an awesome club volunteer and Vickie's Rock. Please let her know you are thinking of her during this hard time.

See you at the meeting.
Carolyn

REMINDER: Club dues are \$25 for the year and there is a one-time membership fee of \$15. If you are paying by check, please make it out to "The Central Florida Metal Detecting Club"
