### JANUARY 2019

## Carolyn Harwick: From The President's Desk

So it starts, a brand new year. I am sure we are all ready for 2019! I would like to wish all of the members of the Central Florida Metal Detecting Club and their families a Happy New Year.

With the new year, we have a change in the board. Chuck Hosbein has been serving on our board for over 30 years. That is true dedication to the club. After so many years, he decided that he wanted to take a break. Can we blame him? Thank you, Chuck, for all you have done for the club and thank you Vickie Chilla for stepping up and taking over as our treasurer.

The meeting this month will be a busy one. During 2018, you brought in some incredible finds. During this meeting, if you won first place in any category, please bring those finds in. We will have a separate area for all the first place finds from last year and a separate vote to determine the find of the year for each category.

We will also be announcing the Hunter of the Year at the meeting. The Hunter of the Year is determined by the total point count that each member earned throughout the year. We will start a new point count for 2019 as well. Also, do not forget to bring in all of your monthly finds from December and January to start your point count for the new year.

As you all know, the board has been working on some great things for this year. Without their hard work and dedication to the club this would not be possible. I am excited about what we will do as a club in 2019! Stay tuned for more big announcements.

See you at the next meeting.

The party was opened with the Pledge of Allegiance led by Marc Hoover.

Voting for board members:

No additional nominations were presented, President, Vice-President, 2<sup>nd</sup> Vice-President and secretary retained their positions.

Vickie Chilla was voted in as Treasurer, replacing Chuck Hosbein (who has over 30 years as a board member).

Karen Sellers from E.S.T.H.E.R. was introduced to the crowd. Carolyn announced that a truck load of canned food was collected at the November hunt, and \$1200 was donated as well. The presents members volunteered to provide for children were collected, and Karen thanked everyone for the tremendous support shown by the club.

Carolyn announced that a platinum sponsor for the 7<sup>th</sup> Annual Sunshine Silver and Relic Hunt

has been chosen, it is Nokta/Makro. As the platinum sponsor, they have committed 9 detectors as well as other swag for prizes. A video promoting Nokta/Makro was presented. Three gold sponsors; Meyers Metal Detectors, Garrett and Kellyco have also signed on. Through a video, KG & Ringy announced they will be attending the hunt, and look forward to meeting everyone in our club.

### Carolyn Harwick-

Asked that all keep Brent Petherick and Bea Case, (both who are in the hospital), in their thoughts and prayers.

Karen Sellers was then asked to provide a prayer before the meal was to begin.

Let's Eat!!!!

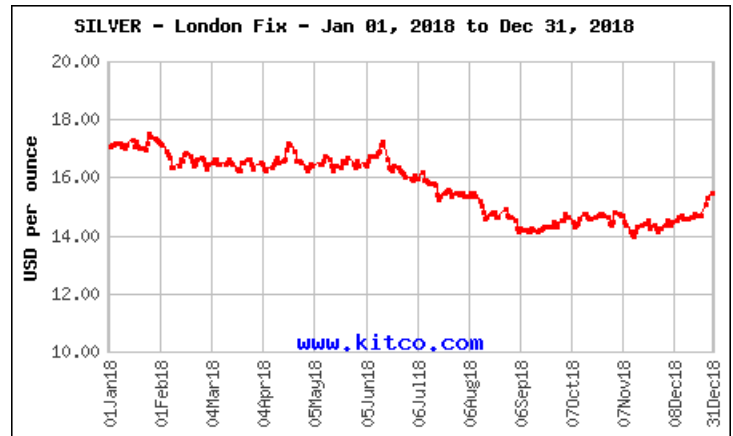

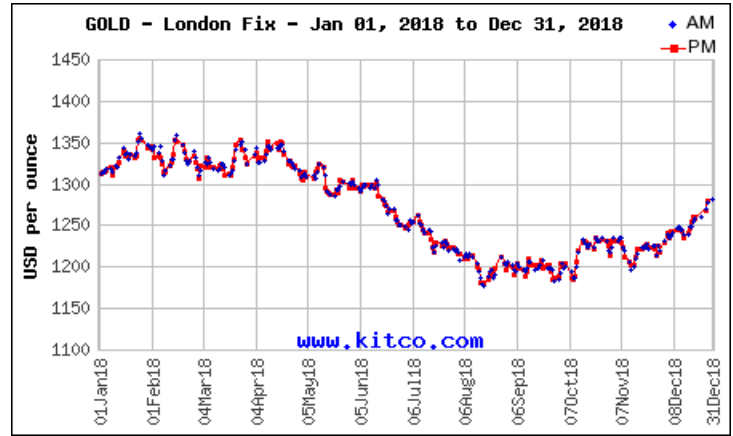

Volunteers from the church prepared and served turkey, ham, green beans, mashed potatoes, stuffing and rolls to the members. Desserts were brought and enjoyed by the members.

Carolyn ran the gift exchange. She had participants form a circle, then used a special die to determine a number of positions to pass the gifts. This held the gift exchange to a matter of minutes, allowing more time for fellowship.
