President's Corner

Hi everyone:

Hope everyone is doing well.

We had 24 people show up for the overnight camp out. Thanks to the Gold Coast Club for their turnout. We dug almost a total of 2,000 coins, a silver half and a silver dime. We left more than that out there. Everyone just got tired of digging money. The food was good and everyone seemed to have a good time.

Lorrie Sprigg is our new activity director and if you have any ideas she would appreciate it very much.

The Fernadina Beach hunt was another great success. Our club members did well and as usual the food was great.

If anyone wants to sell their silver to the club I am paying 8 times face. You can pay your club dues with your silver. This will be used for club activities.

We have more members that are qualifying for the Hall of Fame. If you find an item and return it to its owner you will have your picture taken and be entered into the Hall of Fame.

We are still collecting items for the Sanford shelter. Please bring in a couple of items and if everyone does this every month this will help the shelter very much. It was reported that they were just about out of food last month.

We are still having new members every month and if you see someone that looks new, speak to them and make them feel welcome.

If you know of anyone who needs our prayers and cards let me know.

If we have not seen your smiling face for awhile, we have missed you, then come to the meeting and bring a stranger.

President Ray Leist

Secretary's Report - Chuck Hosbein

The May meeting of the Central Florida Metal Detecting Club was called to order at 7:30 by club president Ray Leist. The meeting was opened with the Pledge of Allegiance led by Bill Green.

Our joke of the month was about an attorney trying to get his client off.

We had a few guests at the meeting for May. They were recognized and received silver dimes from the club. We had one new member join the club in May. Our new member is Barbara Blake.

Secretary's and Treasurer's reports were read and accepted.

Club members celebrating birthdays and anniversaries during May were recognized and received silver dimes from the club.

Ray noted that there are a couple of hunts coming up.

- > May 10th Jacksonville hunt
- > May 17-18 Our club's overnight hunt

For the overnight hunt, everyone must be at the meeting place by 9:30 AM. As in the past, you need to bring your own bed linens, etc. Cabins will be provided and the cost is \$37 per person.

Ray noted that everyone that attended the beach shootout had a great time. Members discussed what they found and what they won. The next shootout will be held April 3rd thru 5th. Pictures of the hunt are available at the shootout web site.

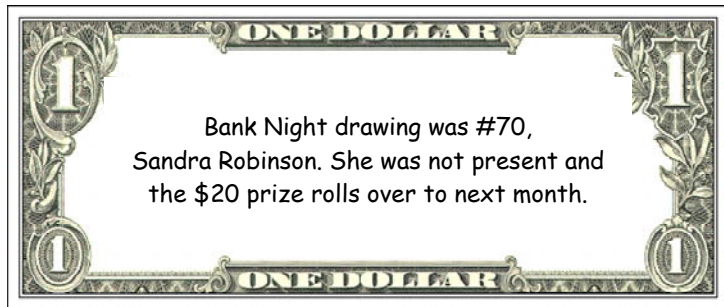

David Stone recently went on a cruise to Bermuda and took a detector. He noted that in order to hunt in Bermuda, you must get a permit. He had his permit at the meeting. He also noted that getting scoops on and off the ship was an issue.

Bill Shackelford noted that the Christian Center has bare shelves. He asked everyone if they could bring in donations. Bill will get them to the center.

Bill Green noted that he and George Case were asked by police to help locate some evidence at a school break-in. Ray noted that he and some members of the Daytona

club helped the Daytona police in looking for a shell casing. Deyton located the needed shell casing.

The meeting was adjourned at 8:50.

Bank Night drawing was #70,
Sandra Robinson. She was not present and
the \$20 prize rolls over to next month.

Always make sure after you find a coin to sweep back over the area a second time. It is not uncommon to find a few coins bunched together.

Overnight Camping Trip

The overnight camp-out held on May 17 & 18th was a
huge success even though the camp was undergoing
renovations and some things were not up to par. The
food was very good. We played bingo for cash on
Saturday night and there were prizes for the best finds.
I am sorry that there are no pictures of the event. I
guess everyone forgot their cameras!

Tip of the Month

I can't stress this one enough! Be responsible! Fill your holes behind you, and remove any small trash you excavate. It will keep people from tripping over or in them. **But most of all, proper and responsible practices will keep more areas open to us all.** It just takes a moment and shows the public we are responsible. Fill in your holes neatly whether you're in a city park, at the beach or even in a remote wilderness. Leave the land as you found it before you disturbed it. Fill your holes!
