The Monthly Newsletter of The Central Florida Metal Detecting Club

June 2017

From The President's Desk By Alan James

Last month the Central Florida Metal Detecting Club held another fantastic club hunt in Holly Hill. The big difference in this hunt and previous hunts is the fact that Carolyn Harwick put together the entire event and executed it flawlessly! Congrats & thanks for a great event Carolyn!

The next hunt will be an Old Town hunt on June 17th with details to be discussed at the club meeting. If you want to volunteer to help with a hunt, please let one of the board members know.

We still need someone step up and take over the tracking of points for the finds tables. This requires making sure every vote is recorded and proper credit is given to each member participating.

We continue to have fantastic finds displayed on the tables every month but without the point tracking who knows??

June 18th is Father's Day. This holiday is a biggie for me! Enough said.

The club library is up and running. If you have books or other related media items that you would like to donate, please bring them to the next meeting.

A few of our club members have been dealing with some serious health issues or other concerns so please keep them in your thoughts & prayers.

It's about time to begin another month to month clue hunt so it might be a good idea to show up at the meeting this Friday evening. You never know what type of clue might be presented.

If you have a suggestion or want to become a volunteer, please make sure to let one of the board members know.

I'll see you at the next meeting.

Alan
