JUNE 2019

THECFMDC.COM

Carolyn Harwick: From The President's Desk

Summer temperatures are officially here. It is very hot outside and the heat can be very dangerous. Please make sure that you are taking breaks and drinking plenty of water if you are out in the heat. If you are going out detecting, remember in addition to the heat, snakes are out!

With the heat being so bad, we are going to skip the club hunt this month. It is hitting 90 degrees by 9:00 am. So instead of us all being miserable in the heat, we are going to do something a little different this month. At the meeting, we will give all the members a separate ticket. That ticket will be for some really nice prizes that we would have given out at the club hunt. So you may want to attend the meeting!

Also at the meeting, be sure to wear your metal detecting vest. We will be having a contest and those who are wearing a vest will

be entered in the contest. No vest? You still have time. You know we always do things a little different...so you never know what to expect with the contest. Take a chance and wear some sort of "metal detecting" vest!

Make sure you bring your finds in for the finds table. We announced last month that we will be giving silver away for 1st, 2nd and 3rd place. We will also be doing something random each month for the finds table entries. Last month we gave away \$50 instead of a silver quarter. What will we do this month?

We have placed dealing with the city council on the back burner because of our big hunt that we had. We are moving forward with this and it will be our focus over the next few months. Expect to hear an update as soon as we get a sit down with the appropriate people and are able to give our presentation.

See ya at the next meeting!

Carolyn

Secretary's Report MAY 2019 Meeting Notes

By: Michael McClure

The May meeting of the Central Florida Metal Detecting Club was called to order at 7:33 pm, May 10, by club president, Carolyn Harwick.

The meeting was opened with the Pledge of Allegiance led by Marc Hoover.

Secretary Report-

There were no changes for the newsletter or secretaries letter.

Treasurer Report-

Vickie reported that there currently are 233 club members on the roles. She also announced that PayPal can be used to pay dues, new membership fees and for club hunts.

Carolyn Harwick & Marc Hoover -

7 guests were welcomed to the meeting.

Carolyn Harwick -

Called Ron Caiazza, Jeanne Cygan, Karen and Ken Arrington, Debbie and Matthew Bishop and George Landgrabe to the front. This group participated in the West Volusia Historical Society kids hunt. Carolyn thanked them for representing the club at this function and providing an educational day for the kids.

Alan James was called to the front and announced as the Hunt Master for the May club hunt. It will be May 18, 2018 at the church pavilion (approx. 421 W Highbanks Rd) at 9am.

Mike Jefferson received a Certificate of Appreciation for an unsuccessful ring search, but which the owner later located.

Ken Arrington received a Certificate of Appreciation for an unsuccessful lost ring search.

BREAK-

Carolyn Harwick -

Provided an update on Vice-President Jim Fielding. He is recuperating from pneumonia and a respiratory infection.

George Case reported his wife Bea is hospitalized with a respiratory infection and currently is in ICU.

Marc Hoover -

Marc reported that he has received fantastic feedback from the celebrities who attended the 7th Annual Silver and Relic Hunt this past April. Alison Walker, a YouTube celebrity from Canada, had a backpack stolen while waiting for her departing flight after the hunt. The pack was found several weeks later with nearly all contents and it is being arranged for the return of the pack to Alison.

Carolyn Harwick -

Gary Flatt and Jerry Hitson were called to the front. Carolyn asked them what type of metal detecting each preferred. Jerry said he prefers hard to hunt areas that most detectorists shy away from. Trashy areas that contain rare treasures you need to cut through the iron and aluminum to find. Gary, who used to prefer beach hunting, now goes after relics. He said this type of hunting requires that you dig all targets, since most of what you are looking for is iron. Both said you cannot get discouraged, you must stay the course.

3 new members were welcomed to the club.

Carolyn expressed concern in a lack of participation on the finds tables, so starting next month, silver will be rewarded to 1-2-3 place. A half, a quarter and a dime to the respective winners. This month a random draw of the finds table tickets netted George Landgrabe a cash reward of \$50.

April Birthdays:

Alan James, Kathy Waters, Mike Jefferson
Betty Shackelford, Ron West

April Anniversaries:

Karen & Ken Arrington, Mike Jefferson
Jim Bell

Carolyn Harwick-

The Best Display of the

Month as picked by the board is Categorized Brass Casings brought in by Thomas Shindel.

OUR CLUB'S METAL DETECTING CODE OF ETHICS

1. Fill all holes. Leave the land and vegetation as it was.
2. Remove all trash and litter when you leave.
3. Respect the rights and property of others.
4. Observe all laws, whether national, state or local.
5. Aid law enforcement officials whenever possible.
6. Never destroy priceless historical/archeological treasures.
7. All metal detectorists may be judged by the example you set. Always conduct yourself with courtesy and consideration for others.

Come And Join Us!!!

We meet the second Friday of every month.

Meeting Place:

Community United Methodist Church

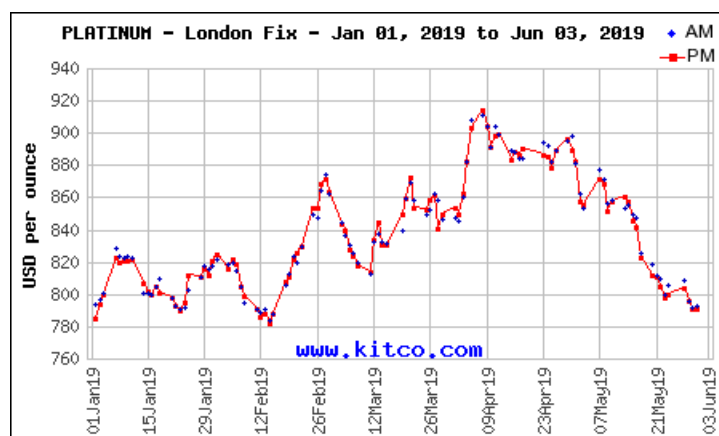

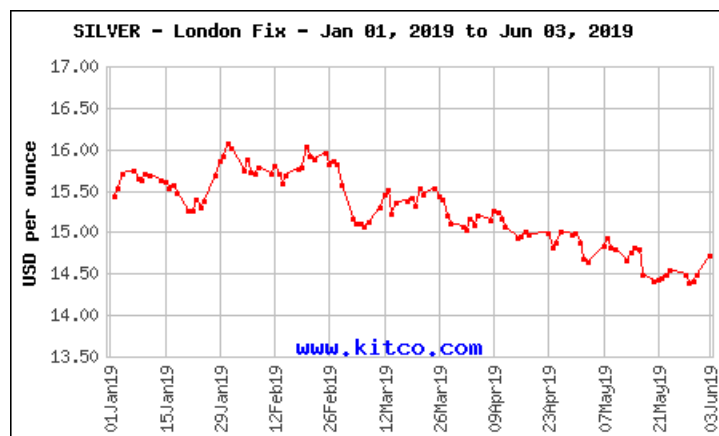

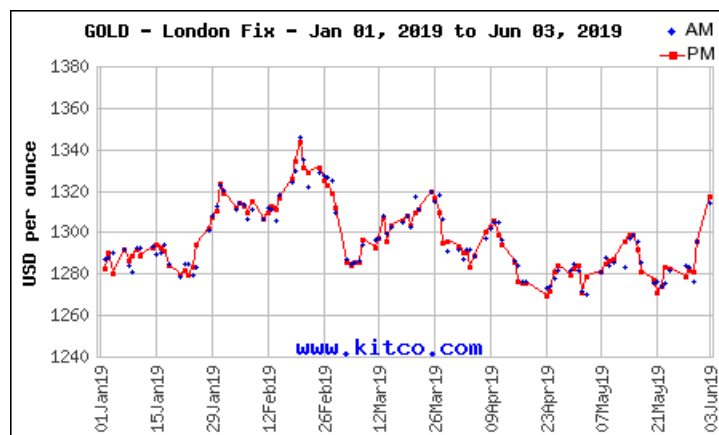

41 West Highbanks Rd.

Debary, FL 32713
