## Here's a Tip

Stick a digital clock on the detector box for time if you don't wear one and a small maglite light is always good to take with you for night hunts and also to check the dates on the coins (clad etc).

Did you know?...

Did you know that the club has patches and hats for sale? Be proud to belong to the Central Florida Metal Detecting Club. The cost of the patch is \$5.00 and the cost of the hat is also \$5.00. Get your patch & hat today.

Contact: [huntmaster@cfl.rr.com](mailto:huntmaster@cfl.rr.com) or see Ray at the meeting.

## President's Corner

Hi everyone:

Everyone who attended the Shootout, I want to thank you and I hope you had a great time. We had a good turn out and we worked hard for you to enjoy the hunt and have an opportunity to find or win something good. Without your participation we could not do this hunt. Also I want to thank those people who worked very hard to make this hunt a success. Thanks to all the planters and thanks to Candy, Shirley and Debbie.

**RAY, LONNA, DAYTON AND BELLE WANT TO THANK ALL OF YOU VERY MUCH.**

Our club's camp out is coming up this month. If you are going, you will need to pay at this coming meeting. There is more on this hunt later on in the newsletter. If you are going to the camp out, directions will be given out at the meeting. If you can not make the meeting, call me 386-428-3401 or Bill Shackelford at 407-323-2954 for directions.

Lorrie Sprigg is our new activity director and if you have any ideas she would appreciate it very much.

There is another hunt in Fernadina Beach coming up and I hope you can attend these hunts.

If anyone wants to sell their silver to the club I am paying 8 times face. You can pay your club dues with your silver. This will be used for club activities.

We have more members that are qualifying for the Hall of Fame. If you find an item and return it to its owner you will have your picture taken and be entered into the Hall of Fame.

We are still collecting items for the Sanford shelter. Just bring in a couple of items and if everyone does this every month this will help the shelter very much.

We are still having new members every month and if you see someone that looks new, speak to them and make them feel welcome.

If you know of anyone who needs our prayers and cards let me know.

If we have not seen your smiling face for awhile, we have missed you, then come to the meeting and bring a stranger.

President Ray Leist

## Secretary's Report - Chuck Hosbein

The April meeting of the Central Florida Metal Detecting Club was called to order at 7:30 by club president Ray Leist. The meeting was opened with the Pledge of Allegiance led by Bill Green.

The joke of the month was about a UPS delivery man.

Guests at the meeting for April were recognized and received gold dollars from the club. We had one new member join the club in April. We have two new members, Dabney Small and Gary Blake.

Club members celebrating birthdays and anniversaries during April were recognized.

There are several hunts coming up in the next few months and were discussed at the meeting.

- May 17-18 - Overnight hunt - price will be \$37 per person
- May 10 - HRNAF (Jacksonville)

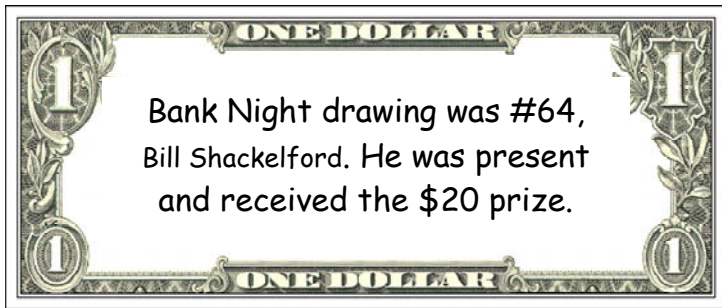

See "Coming Events" for more information.

Frank Rothery discussed a new book about Minelab detectors that is now on sale.

Ray and Bill Shackelford reminded members of the presentation that Bill Shackelford and Bill Green will be doing at Kelly Park on Saturday, May 19th.

Bank Night drawing was #64, Bill Shackelford. He was present and collected the \$20 prize.

The meeting was adjourned at 8:45.

## A Few More Good Tips

Detecting grass in the morning after a frost offers a cool benefit - as you swing your coil, it knocks the frost off the grass, leaving a completely visible sign of exactly where you have swung.

This one is for all you guys n gals that like to go to yard sales and estate sales... talk with the owner who is selling out. Perhaps you can get permission to detect when he is gone but still owns the property. Maybe buy something of his to sweeten the conversation.
