The Monthly Newsletter of The Central Florida Metal Detecting Club

NOVEMBER 2018

Carolyn Harwick: From The President's Desk

It is that time of year again. The holiday season is finally here. Thanksgiving is just a few weeks away and Christmas is not long after. I hope everyone enjoys the holidays.

The November meeting will be the last meeting for the finds table for this year. It will also be the last month this year for the best display. We will have a vote at the meeting to see if this category will continue into 2019.

We will be nominating members for the board this year. If you are interested in running for any position on the board, please reach out to me before the start of the meeting. The positions include: President, Vice President, Second Vice president, Treasurer, Secretary and Activities Director. The official elections will take place at the Christmas Party. If you'd like to nominate anyone, please clear it with that person first. A nomination needs to be made and the person needs to accept that nomination before voting in December.

We will be having our First Annual Thanksgiving Hunt on November 10, 2018 beginning at 3:00 PM at Frank Rendon Park -

2705 S. Atlantic Ave, Daytona Beach, FL 32118. This hunt is sponsored by Myer's Metal Detecting and White's Metal Detectors. This is an open hunt for anyone in Florida that belongs to a club. Please bring at least 3 canned goods per person to enter. If you would like to bring more, it would greatly be appreciated. The food will be donated to a charity, which will be discussed at the meeting.

We will have another club hunt in November. It will be a member only hunt on November 17, 2018 beginning at 9:00 am. This will be a seeded hunt and details will be provided at the meeting.

The sign up for the Christmas party will be at the meeting again this month. If you have not signed up, please do. The Christmas party is for members only and each member can bring a guest. We need to have an accurate number since we are catering it this year. If you missed last month and will not be there this month, please let me know you will be coming to the party and I will add you to the list.

As always, please keep club members and their families that might be having challenges in your thoughts and prayers.

See you at the next meeting.

Carolyn

There will be a hunt October 20 for club members who are certified in the new program. Meet at the Deland Wal-Mart (1699 Woodland Blvd) at 8:30 am to caravan over to the location. Doug Prock was recognized and expressed concern there will be a separation through the club of the certified and non-certified members, the certified enjoying more or better hunts. Jim Fielding addressed this explaining the desired end result of certification is bring all detectorists together to show city, county, and state governing bodies our concern in keeping the hobby alive. The hunt October 20 is a reward for those who have taken the initiative to get certified. All normal club hunts will continue to be arranged.

October 27 will be the club picnic hunt, which may turn into a Halloween hunt. The club will provide burgers and dogs, club members are asked to bring a side dish.

Carolyn Harwick-

If you would like to do a Tech Talk, let me know the topic and when you would be ready.

Club Officer elections are coming up in December, voting will happen during the Holiday Party. Nominations will occur at the November meeting. Think about serving on the board. Carolyn then had the board members give a brief talk about the functions of their position.

For a silver round, Carolyn had the members check their pockets/purses for a coin minted in 1982. No one came forward. She then asked for a paperclip, which Chuck Hosbien provided toot sweet. Congratulations on the silver round.
