Carolyn Harwick:

From The President's Desk

It is finally October and the weather is starting to give us a break. In the fall, we have pumpkin spice and everything nice! It also means that before we know it, 2020 will be here. I can't believe this year has flown by the way it has. Let's make these next few months great.

At the meeting this month, we will have a lot of prizes to be given away. These prizes will be for members only. All you have to do is show up and have a shot at winning a detector or something else detecting related. We are doing this because there will be no club hunt this month. The month of October is a busy one!

Every Saturday in the month of October, we have been asked to assist Kellyco with the Boy Scouts at Camp LaNoChe. If you are able to volunteer your time, then you will be able to attend the reward hunt that will be scheduled before the end of the year. It is a great opportunity to work with the scouts and the reward hunt is one you do not want to miss.

In the month of November, we will have our Thanksgiving hunt like we had last year. It will be a two day event. Both Minelab and Kellyco will be sponsoring the hunts. This will be a Vanquish launch too. Debbie will be showing off the new detector and will have some cool prizes. We will be collecting canned food for the "entry fee". What a great way to have fun and work with the community. This hunt will take place on November 22nd and 23rd. More details at the November meeting.

As you all know, nominations for the board will be in November. We really need some people to give it a shot. All positions are up for nomination, including a new newsletter editor. We all have worked really hard and would like to have some "new blood" to give it a shot. If you are interested in running, please let us know.

The next couple months will be filled with lots of fun and great prizes. Including our Christmas party. We plan to have it catered again this year, that way we can all enjoy the party without having to work too hard. We all deserve a break every now and then.

See ya at the next meeting!

Secretary's
Report
**SEPTEMBER
2019**
Meeting Notes

By: **Interim Secretary: Patti Fielding**

The September meeting of the Central Florida Metal Detecting Club was called to order at 7:30 pm, September 13, by club 1st Vice-president, Jim Fielding.

The meeting was opened with the Pledge of Allegiance led by Jim Fielding.

Secretary Report-

No changes or corrections to the Secretary's letter or newsletter.

Treasurer Report-

Vickie reported that 3 new members have joined this month.

Carolyn Harwick -

Welcomed those 3 guests to the meeting.

Carolyn Harwick -

Those celebrating a birthday this month please come to the front of the room.

Christine Merriam, Mason Bishop, Matthew Bishop, George Landgrabe, Joyce Chapman, Ethan Bryant, Doug Oliver.

Now those celebrating an anniversary come forward.

Pam & David Gray, Beatriz & Roger Taylor, Adrienne & George Landgrabe.

Carolyn Harwick -

The next club hunt will be at Frank Rendon Park in Daytona Beach. It is a night hunt starting around 8pm. No lights allowed on the hunt field.

Ask the Experts -

Carolyn asked for two members to come forward and discuss using the Garrett AT-PRO and AT-MAX. John Ayers and Shane Bryant came forward to explain the differences in the machines and how to best utilize them.

Members had the opportunity to ask questions and make comments.

Club members who volunteered at the last Boy Scout event were asked to stand. Carolyn then told the standers to check with her during the break to collect info on the reward hunt for their service.

Carolyn then announced that volunteers are needed each Saturday in October to help the scouts learn how-to use a detector. Location is at Camp La-No-Che in Lake County, times are 9am-5pm. Detectors will be provided.

Carolyn Harwick -

"Do You Want To Play A Game?"

Carolyn had everyone move to another seat in the same row. After everyone was seated, she then had them move a different seat in the same row. No one should be in their original seat. Look under your chair for a round sticker that says "I'd rather be metal detecting".

Debbie Green provided the sticker, and received a 1935 Silver half. Christine Merriam won the same prize since she was originally in the seat. Carolyn then asked everyone to return to their original seat.

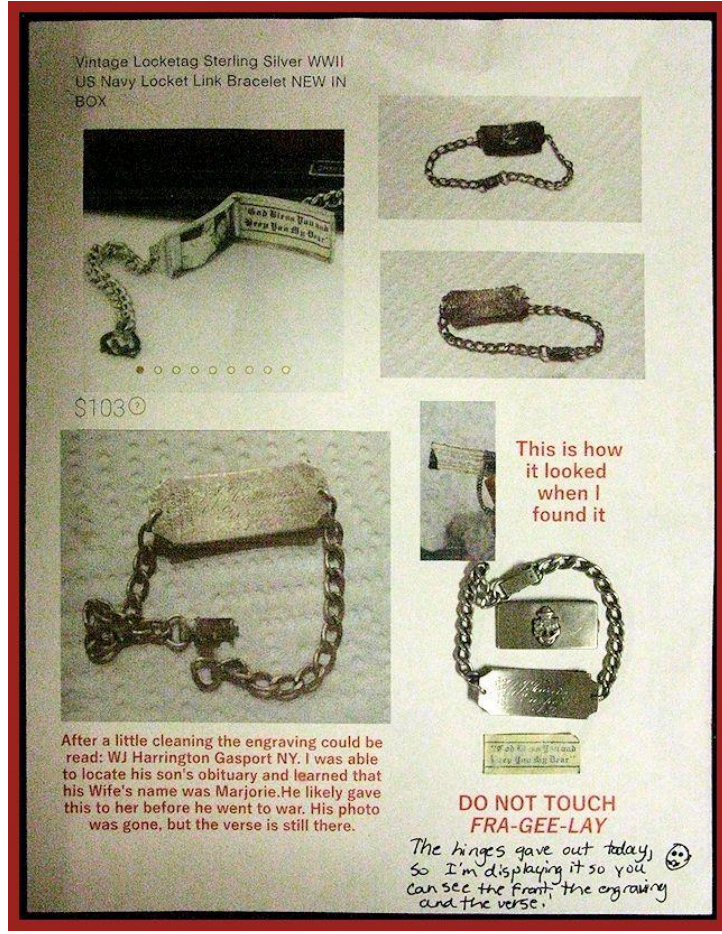

Carolyn announced she will not be at the October meeting. Jim Fielding will be leading that meeting.

Voting for the Finds Tables is for members only. Let's take a break.

BREAK-

Carolyn Harwick -

Kathy Waters received a certificate of appreciation for locating a lost item. Kathy also was announced to having been chosen by the board as Best Display of the Month for "WWII USN Silver Bracelet"
