

## THE VISION

- ⚓ Our heart is to stay tuned in to what the Spirit of God is doing and to train people accordingly, for the harvest in the last days.
- ⚓ The primary emphasis is for believers to return to signs and wonders as a lifestyle.
- ⚓ Our desire is to create an environment where people can take risks in learning to operate in the supernatural without fear of rejection or failure.
- ⚓ Our determination is that this training center will be a Holy Spirit journey into the realm of the impossible.
