

Today's Youth Tomorrow's Future

Spencer & Pearl Lancaster Promise of Tomorrow Scholarship

The **Spencer & Pearl Lancaster Promise of Tomorrow Scholarship** was established to recognize and invest in graduating high school seniors whose character, leadership, and commitment to serving others reflect the values exemplified by Spencer Lancaster and Pearlstine Lancaster throughout their lives.

Awarded annually to one male and one female graduating senior attending school in New London County, the scholarship celebrates students who lead by example, demonstrate resilience in the face of challenges, and make meaningful contributions to their schools and communities. While academic achievement is considered, equal emphasis is placed on integrity, responsibility, perseverance, compassion, and a genuine desire to make a positive difference.

Applicants will be evaluated through a TYTF-led application and review process based on the following criteria:

- Demonstrated character and integrity
- Leadership and perseverance
- Community involvement and service
- Academic commitment and future aspirations
- Alignment with the values embodied by Spencer and Pearl Lancaster

The Promise of Tomorrow Scholarship reflects TYTF's belief that investing in young people of strong character today helps build stronger leaders and stronger communities tomorrow.
