Caring For Kids 1st Scholarship Information

The purpose of our scholarship program is to extend the ministry of Caring For Kids 1st to families who demonstrate a need for financial support in order to help provide quality summer care for their child.

To apply for the scholarship, please fill out an application and submit it to the Caring For Kids 1st Director. Applications **MUST** be filled out completely, including verification of the last two month's income. Incomplete applications will not be reviewed.

All information is personal and kept strictly confidential. The only people that will know the names on the applications are the Director and two designated members of our Board of Directors. Names of applicants are withheld from all other staff and members of the Board of Directors..

A three member team made up of the Director and two members of the Board of Directors will review the applications and determine which applicants receive scholarships and the amount of each scholarship. There will be a limited number of scholarships available.

Applicants awarded scholarships will be notified by phone or email. No money will be given to the applicants receiving scholarships. The amount of the scholarship will be subtracted from the total amount owed by the applicant for the final month of summer childcare.
