Product Name	Price	Frequency	Charge Category	Description
Account Administration Recovery Charge	5.00%	Recurring	Cost Recovery Charge	A monthly charge to recover costs associated with supporting and maintaining your account. This revenue goes towards customer support and the systems/software used in day-to-day activities.
Federal Subscriber Line Charge	\$6.50	Recurring	Cost Recovery Charge	This fee was established in 1984 by the FCC allowing local phone companies to recover some of the associated costs with connecting your service and maintaining the network. We only charge this as a recovery mechanism for services in which we are charged by the underlying carrier. For example, AT&T charges us for all landline packages so we pass most, but not all, of those costs through.
