

## Terms and Conditions

1. **Term Commitment** – Customer agrees to keep and pay for the services rendered by **TTC** identified on the billing telephone number (BTN) grid for the term length selected. All **Legacy Voice** calling plans will be renewed in 1-year increments which will continue with the selected term if there are no rate changes and **TTC** can continue to offer this package. If something changes **TTC**'s rate or ability to offer your **Legacy Voice** calling plan, **TTC** will notify Customer who can accept any changes or replace with an alternate **TTC** service. The effective date of customer's agreement will initiate based on the date service is transferred or installed at the customer's network. Unless either party notifies the other in writing no less than sixty (60) days before the last day of the existing term, the term will renew and remain in effect for a length of time equal to the customer's selected term.
2. **Contract Termination Charges** – If customer disconnects or transfers service prior to expiration of the existing term, customer will be charged an early termination charge equal to any upfront discounts, plus, 100% of the plan price multiplied by the number of services terminated early multiplied by the number of months remaining in the term.
