

LASER TAG SENSORS

Recommend using 3 sensors on a hat or headband for 360-degree coverage.

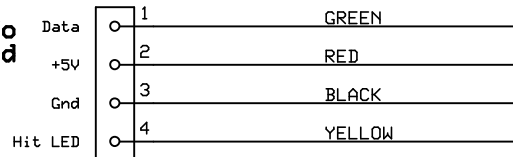

Additional sensors may be connected in parallel. Sensors can also be mounted on the gun if desired.

SENSOR PC BOARD

SENSOR CABLE

Connect To
Main Board

Molex Part #
Housing
22-01-3047
Contacts (4 each)
08-52-0123

Works with MAGIC, CORE and UMT systems (also compatible with many commercial systems).
