90 Second video featuring Hillary Clinton Campaign Slogan and Black Lives Matter Graffiti

On June 15, 2020 You posted a 95 second video on Facebook that included the Governor's logo in the top right. Obviously, it was professionally produced presumably at great expense born by the taxpayer. The video repeatedly portrayed graffiti images of Black Lives Matter, an openly Marxist group, and an aerial photograph of "Stronger Together" Hillary Clinton's slogan from her failed presidential campaign of 2016. That's the one.

It is requested that you provide a copy of the contract for the company that produced this video.

It is requested that you provide a record of disbursements for the production of this video and cite the source of these funds.
