Daily Prayers

God, I want to come before You on behalf of the following people and their loved ones:

- All the family members I love
- Every friend, friendly acquaintance, and unofficial family member I ever had
- Every co-worker and classmate I ever had
- Every leader, teacher, mentor, and medical caretaker I ever had
- Everyone I tried to witness to or teach
- Every person from my past I release to You
- Anyone I ever viewed as or called my enemy

For those I bring before You who aren't saved, I ask that You please:

- Guard their lives to give them time to believe
- Send them witnesses who will share the gospel with them in word and deed
- Stir their hearts to curiosity towards the gospel
- Work in their lives to make the witnesses they receive meaningful
- Convict them of their need for salvation

God, I come before you on behalf of every unsaved professing Christian I ever had a connection to, and every Christian I ever had a connection to who lost their way. I ask that You please:

- Teach them the truth of the gospel in a way that convicts them
- Expose them to good theology
- Expose them to good spirituality

God, I come before you on behalf of myself and every Christian I ever had a connection to. I ask that You please:

- Guard our theologies, and help us cling to truth
- Keep us rooted in Your love
- Fill our hearts with love
- Keep us grounded in mercy
- Help us be lights to those around us
- Bless our witnesses
- Give us Your joy and peace
- Give us wisdom
- Keep us from absent minded mistakes
- Fix our mistakes
- Bless our work
- Teach us good social skills
- Give us satisfying relationships
- Bless our relationships
- Teach us how to pray and grow our prayer lives
