

EVALYN AWAKE

ABOUT THE BAND...

Tyler Lyon - Rory Siercks - Chris Grindstaff - Justin Johnson

Evalyn Awake blends modern hard rock punch with atmospheric textures and melodic hooks that stick. Their sound moves between driving riffs and cinematic space, balancing raw energy with polished production. It's heavy without being abrasive, melodic without losing edge—built to hit hard and linger long after the last note.

HAS SHARED THE STAGE WITH

Slash, Sevendust, Chevelle, Stone Sour, Disturbed, 10years, RED, He Is Legend, Candlebox, Hinder, Crossfade, Black Label Society, Pop Evil, Tech N9ne.
