## WHAT'S TRENDING...

Fundraising events are evolving with the changes in Covid-19 restrictions. The one consistent trend is **Virtual Events**.

**Virtual Events** have similar content, but the look and feel will vary depending on the creativity and resources available to the organizations.

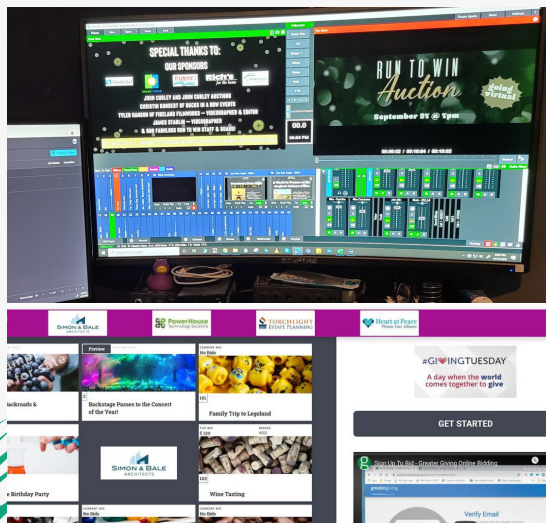

This is why working with professionals is crucial. **Ducks in a Row Events** worked with several vendors and organizations in 2020. We have the creativity and resources to produce awesome virtual events with all budget levels.

A **Hybrid Event** can take many forms. Trending events are **Watch Parties**, **Satellite Location Event**, or **Modified In-Person Event**.

Whatever your definition or idea, **Ducks in a Row Events** can get you there.
