Reminder to check your emails, Procare App and communication regularly. If any of your contact information has changed. **Please Let Us Know.**

Thank you Parents for wearing your masks and for keeping your child home when they are not feeling well. We all appreciate it. This seems to be helping curb any spread of cold/flu symptoms . Thank you for sending your children in the appropriate labeled clothing for the weather.

DID YOU KNOW - When you refer a friend or family and they enroll their child for 3 days or more a week for fulltime care, we thank you by giving you \$50 off your next month's tuition.

We want you all to know that we LOVE having you as a part of our BLLC family.

Your child needs the same amount of water daily as an adult – 1 Quart for every 1,000 calories they expend. In every classroom water is available, freely at will. Please make sure your child has a labeled water bottle in their classroom here at school.
