Dear Sponsor,

On behalf of The Woman at the Well, Inc. it is our intent to secure an important \$_____ cash donation through _____ (sponsor name). **The First Annual Woman At The Well Glimmer Gala** will help The Woman at the Well, Inc. sustain vital services for women that are struggling with, domestic violence, substance use, or mental health challenges in Taunton, as well as surrounding towns in Bristol and Plymouth county.

Your charitable donation will give the women's center the ability to address the critical issues of substance use, domestic violence, or mental health for women and their families in our community. Statically, women are a rising population that is being affected by the opiate deaths, leaving many families fractured. It is our hope to provide individualized services coupled with low threshold substance use medically assisted treatment services along with specialized prevention and education services designed to meet the specific needs of women. The Woman at the Well's intent is to promote wellness and end unnecessary deaths through all its individualized services.

Everyone has a story, or knows someone directly affected by substance use, domestic violence, or mental health challenges. Please join The Woman at the Well in our pursuit to transform our communities by donating to this worthy organization. All donations are considered unrestricted and non-refundable. *Thank you.*

Sincerely,
