Dear [Name],

The Woman at the Well, Inc., provides vital medical, counseling, and educational services for women that are struggling with domestic violence, substance use, or mental health challenges in Taunton as well as surrounding towns in Bristol and Plymouth County. Our mission is to help everyone who walks through our door. It has been a long road, but I am thrilled that we will begin serving women on August 1st.

As a respected member of the community, I know you are deeply invested in the success and well-being of our community. Your generous donation of \$1000___ \$500___, \$250___, other_____for the “First Annual Woman At The Well Glimmer Gala” will help us to raise the funds needed to ensure we fulfill our mission of putting women on the path to recovery, self-sufficiency, and success.

Everyone has a story or knows someone directly affected by substance use, domestic violence, or mental health challenges. Please join The Woman at the Well in our pursuit to transform our communities by donating to this worthy organization. You will be making a positive difference in the lives of countless women and children.

Enclosed please find a “Glimmer Gala” flyer and information on our non-profit status. A representative of our organization will contact you soon to answer any questions you may have and discuss how your charitable contribution will benefit the community.

Thank you for taking the time to consider this important request.

Sincerely,

Kelli Riley
President
