

Re-enrollment  
Begins  
June 30

# JUNE NEWSLETTER

## Full Summer Program Returns

We are excitedly looking forward to the return of our summer program, which hosts various hands-on enrichment visitors and "in-house field trips" for all Pre-K and School-Age students between June 27-September 2.

Just a few of the special guests we have scheduled include: Mad Science presenting Fire and Ice!, Imagine Children's Museum On-The-Go Robots, live animal meet-and-greet from Animal Encounters, Kid Quest Rockets, and MORE!!

In addition to these special enrichment opportunities, we are also very excited to host both Field Day in July and our annual Summer Fest in August. More info on these fun events coming soon!

**JULY 29** - *Re-enrollment Due*

## Pre-K Graduation

Friday, June 10 2:00pm

The MELC Class of 2022 will be participating in their official graduation ceremony on Friday, June 10, 2022! The program will begin at 2:00pm at the New Vision Church across the street from MELC. Reception will follow from 3:00-4:00pm at the MELC South Courtyard.

All attending families, please remember that masks will be required during the program in the church, but may be removed for the reception.

## Summer Weather Reminders

As we (finally) start to see warmer, sunnier weather, please remember to complete a sunscreen authorization form and return it to your child's teacher.

If you prefer us to use a sunscreen other than a generic-brand SPF 50 (Equate, etc.), please provide a bottle of sunscreen to be used for your child. Additionally, you may choose to send a sun hat labeled with your child's name. By licensing standards, we must provide your child outdoor activity time each day, unless temperatures reach 100 degrees Fahrenheit.

## June Focus: Generosity & Service

The Christian Foundations theme for the month of June is *Generosity & Service*. Students will explore what it means to be generous - not only with things or money, but also with our time, care, and talents.

Each classroom will be choosing a service project to be completed throughout the month. Keep an eye out for an announcement from your child's teacher regarding what service project their classroom has committed to and how you can help!

## Pre-K Zoo Field Trip

We are happy to be kicking off the return of field trips with a trip to the zoo for our Green Alligator and Brown Bears classrooms on Friday, June 24!

Students will enjoy visiting the animals at the world-renowned Woodland Park Zoo as well as lunch and supervised play time.

A reminder for Green Alligator and Brown Bear families that students need to arrive to MELC no later than 8:30am in order to load the bus and leave on time.

# staff of the month

This month we celebrate Mrs. Allysia!

Staff of the month are nominated by MELC families, fellow staff, and the management team for going above and beyond, displaying exemplary engagement and support to their students and colleagues, and working to make MELC an awesome place to work, learn, and play!

## Please Help

We are collecting large cardboard boxes for our "Collector Car Show"
