MELC Illness Policy

A GENTLE REMINDER OF MELC'S POLICIES DURING ILLNESS

MELC sent out an email detailing our center illness policy. In efforts to remain a healthy and safe center, we ask that families follow our stay at home policies if their child is feeling ill. Please remember to check temperatures at the front desk when you enter the building. We understand that most people are vaccinated, but we want to do everything we can to keep our families safe!

The books of the month focus on this idea through treating our friends with respect, being gracious and generous, and loving unconditionally.

BOOKS OF THE MONTH:

KINDNESS MONTH

CHRISTIAN FOUNDATIONS

The month of May is Kindness Month! At MELC, we embrace the value of kindness in our classrooms through the interactions we have with our parents, peers, and teachers. We are genuine and caring friends, generous givers, and learn how to be kind in tough situations.

BUILD EACH OTHER UP."**

Classroom Focus

PINK FLAMINGOS

Ms. Brandiann in the Pink Flamingo room has been busy with the kiddos learning about last month's unit on gardening and this month's transportation and construction units. All of her students have been loving every minute! Stop in her room and check out all of the student work!
