About the artist

Evans Debeza, AIA, NCARB

Evans is a self-taught, visual artist based in Chicago, and born and raised in the Mississippi Delta. She creates original oil, watercolor, and acrylic paintings that capture the heart and soul of the Mississippi Delta blues, Chicago's urban energy, rural American architecture, and vibrant landscapes from her travels.

Her art has been collected across the U.S. and in Spain and is hung in the homes of private collectors, in clinics, and in music studios. She has participated in multiple art exhibitions throughout Chicago and Greenville, MS.

A handwritten signature in dark ink, reading "Evans Debeza". The signature is stylized with flowing, cursive letters.
