BILLING: Our clinicians participate with many insurance companies and in most cases we will bill your insurance company for you. However, you are ultimately responsible for your bill. If you have not already done so, contact your insurance company to find out what your mental health benefits are, including deductibles, copayments, requirements for preauthorization, and any limitations to your coverage.

IT IS YOUR RESPONSIBILITY TO OBTAIN ANY INITIAL PREAUTHORIZATION REQUIRED BY YOUR INSURANCE COMPANY. FAILURE TO DO SO BY THE END OF THE BUSINESS ON THE DAY OF YOUR INITIAL APPOINTMENT MAY RESULT IN DENIAL OF COVERAGE AND LEAVE YOU RESPONSIBLE FOR PAYMENT OF THE FULL FEE.

Fees not covered by your insurance are due at the time of service. These fees include, but are not limited to, copayments or co-insurance, deductibles, charges for telephone consultation, school meetings, educational testing and services, most court-ordered services, letter and report writing, prescription refills in between appointments, and depositions/ court appearances.

COLLECTION PROCEDURES: Unless arrangements have been made, bills that are more than 90-days delinquent will be turned over to a collection agency. In that event, you will be liable for an additional collection cost of 33% of the current balance. You will also be responsible for an interest rate charge of 1 1/2 % per month on the unpaid balance. If you are unable to afford the cost of treatment, your clinician will assist you with a referral to your community mental health center.

CHANGE IN INSURANCE: It is your responsibility to notify both your clinician and the billing office of any changes in your insurance and to provide us with a copy of any new insurance card(s). It is also your responsibility to contact your new insurance company to obtain any preauthorization that may be required. Failure to do so may result in denial of coverage and may leave you responsible for payment for the full charges.

CANCELLATION POLICY: YOU ARE REQUIRED TO GIVE AT LEAST 24-HOUR NOTICE WHEN YOU NEED TO CANCEL AN APPOINTMENT. MONDAY APPOINTMENTS MUST BE CANCELLED BY THE APPOINTMENT TIME ON THE PRECEDING FRIDAY. IF YOU CANCEL AN APPOINTMENT WITH LESS THAN 24-HOUR NOTICE, OR IF YOU FAIL TO SHOW UP FOR YOUR APPOINTMENT, YOU WILL BE CHARGED A FEE, WHICH IS NOT COVERED BY INSURANCE.

If you arrive late for your appointment, your clinician may see you only for the remainder of your scheduled appointment time or may request that you reschedule if insufficient time remains. While we make every effort to begin appointments on time, other patient needs do sometimes result in your therapist running behind schedule. When this happens, you will generally be offered the option to run late and still be seen for a full appointment or to reschedule.

TELEPHONE CALLS: Please try to keep telephone calls brief; try to save any questions that you have for your clinician and ask them during your scheduled appointment times. Except for emergencies, your clinician will charge the regular hourly rate for telephone calls that are longer than five minutes and for frequent phone calls.

CLOSED CASES: Accounts will be considered closed if the last visit was more than 12 months ago.

OTHER RESPONSIBLE PARTIES: To avoid confusion, the person consenting to treatment will be responsible for all fees not covered by insurance. If another party is legally responsible for medical bills not covered by insurance (for example, in case of divorced parents, your child's other parent) we will provide you with whatever documentation you need in order to get reimbursed by that person. We will not bill that party directly however.

Policy Regarding Health Insurance

Many insurance plans today require patient payments in the form of Deductibles, Copayments and Coinsurance. Your insurance plan is structured to pay toward outpatient services following your payment of Deductible or Copayment.

To help manage the various plans and maximize the accurate filing of your insurance claims, we have established the following policies.

Deductibles and Co-insurance:

FBHA has developed a practice requirement that for all visits on policies where the deductible has not been met and we have not yet received an Explanation of Benefits from your insurance company, Patient will be required to make a payment at the time of each visit of \$75.00. We will then file the claims to your insurance plan. Once we receive an EOB from your insurance plan that informs us of the UCR for your policy, adjustments (increase or decrease) in your discounted payment will be made if needed. Remember, the payment is the amount you pay at each visit toward your Deductible or coinsurance.

Note: FBHA will not charge you for any amounts in excess of the Deductible and Usual and Customary Rate that is set by your insurance carrier if FBHA is a contracted in network provider for your insurance company.

Copayments: FBHA has developed a practice requirement which matches the policy of your specific insurance plan. FBHA will accept the copayment in the amount reported by your insurance plan or published on your insurance card and verified. Payment of the specified copayment will be made upon each outpatient visit.

Credit Cards:

For your convenience, FBHA will accept a valid credit or debit card to be placed on file for the periodic payment of Deductibles and Copayments.
