2. All entries must include the name of the exhibitor, post office address, and the class and department in which it is made. On the entry of each animal or article, a tag will be furnished each exhibit specifying the class and number of entry. The tag must remain attached to the animal or article during the exhibit.

3. No animals or articles will be assigned a place on the grounds until proper entry has been made. Hay, feed, straw, bedding and equipment must be furnished by the exhibitor.

6. No person other than judges, clerks or exhibitor in charge of stock, will be permitted to enter ring during the exhibition of animals. All horses and cattle must be led into the ring when called for. Exhibitors of livestock must be present at time of judging to show their exhibits.

8. Exhibitors must at all times give the necessary personal attention to whatever they have on exhibition to insure its health and safety. In no case will the Fair become responsible for any damage, death or loss that may occur. The exhibitor shall be responsible for the feed, watering and care of livestock.

9. An exhibitor will be limited to exhibiting and receiving premium on only one animal or article entered under one entry number, except Open Class individual livestock classes, which will be permitted no more than two exhibits and premiums.

10. At the judges' discretion, if more than any one breed is entered, a separate class will be established.

11. All premiums will be paid in full.

HISTORY: Cr. Register, November, 1990, No. 419, eff. 12-1-90, cr. (5), Register, July, 1995, No. 475, eff. 8-1-95, CR 11-037, renum. (1) to (5) to be (2), (4), (5), (8), (10), cr. (1), (3), (6), (7), (9), (11), (12) Register April 2012 No. 676, eff. 5-1-12.

ATCP 160.02 PREMIUM REQUIREMENTS

(1) GENERAL

(a) The state and authorized by s. 93.25 (9), Stats., may be paid on net premiums paid by a county or district fair. The department may withhold state premium aid from any fair that does not enforce animal health provisions under ch. ATCP 10 that are applicable to animals exhibited at the fair. State aid will be paid only on premiums actually paid by bank check or draft.

(b) No deduction may be made from premium money won by an exhibitor. Premiums may, however, be withheld where exhibition rules established by the fair association are violated. A written statement of violation shall be submitted to the department to justify action taken by a local fair.

(c) Premiums offered shall be definite in amount. No decrease or increase in published premiums may be made because of the financial condition of the organization or for any other reason.

(d) State aid may be paid on no more than 2 premiums awarded an exhibitor under one premium or lot number in open division individual livestock classes, except poultry and rabbits, and no more than one premium in all other classes, including poultry and rabbits.

(e) No county or district fair may receive state aid for a premium awarded to any exhibitor in the open division if that exhibitor entered the same exhibit in the junior division at the same county or district fair. This paragraph does not apply if the exhibit was entered in the junior division only as part of a herd group, carcass class or performance class.

(f) No state aid will be paid on the cost of ribbons, cups, trophies, prizes or entertainment contests.

(2) PREMIUM LISTS

(a) Premiums for which state aid is requested by county and district fairs shall conform with the uniform premium list and other requirements set forth in these rules. Fairs requesting state aid for net premiums shall submit to the department a printed copy of the premium list used at the fair, as required under s. ATCP 160.02 (3) (c).

(b) The officers of each fair shall mail a copy of the

list an entry fee. The entry fee may not exceed 10% of the sum of all premiums offered to exhibitors in the same class for which the entry fee is charged. In lieu of an entry fee, a county or district fair may charge stall rents for horses, cattle, sheep, goats, swine, poultry, rabbits or pets.

(b) Exhibitors in department 35 shall not be required to purchase an exhibitor's ticket. Any other exhibitor may be required, if no entry fee is charged, to purchase an exhibitor's season ticket at a price not to exceed that charged for a non-exhibitor's season ticket.

(3) SPLIT FAIR DATES

(a) For purposes of this subsection, "split fair dates" occur when a fair organization judges exhibits or contests and pays premiums at more than one time or at more than one location during the calendar year.

(b) Except as provided under par. (c), the department may not pay state aid for a fair having split dates unless the department gives advance written approval for a split fair. The department may approve split fair dates only if the fair organization justifies the split dates based on extreme hardship. If the department approves split dates, all blue ribbon numbers shall repeat their demonstrations or exhibits at the regular fair dates unless the department grants a hardship exemption. An exhibitor may use audio-visual media, still photography, or an educational display to repeat a demonstration or exhibit.

(c) The department may pay state aid for the following exhibits or contests in a fair having split dates, regardless of whether the department approves those split dates in advance:

1. Clothing revue;
2. Demonstrations;
3. Favorite foods revue;
4. Dogs;
5. Small animals;
6. Rodeo;
7. Shooting sports;
8. Other exhibits and contests that are similar to those identified in subds. 1. to 7.
