20th Annual Monson Town-Wide Tag Sale

It's time to start planning for the **20th Annual Monson Town-Wide Tag Sale** to be held on **Saturday, August 31, 2019**. Last year the Town-Wide Tag sale was a huge success. The fabulous weather and participation of over **150 sites** brought **hundreds of people to Monson** to shop and visit one of the prettiest towns in Massachusetts.

So, how does this work? Simple...you decide to hold a tag sale and make a small, tax-deductible donation to the Town-Wide Tag Sale, c/o First Church. The first 100 applicants will receive the official Tag Sale sign, but everyone that gets the application in on time will be listed in the map.

Again this year we will be advertising the **Monson Town-Wide Tag Sale** in newspapers and on the radio all over New England. We will create and print several hundred maps to be sold at locations around town. The maps will show your location with a description of your items for sale This helps drive, (pun intended), buyers to your location.

Large town events like the Town-Wide Tag Sale benefits everyone in Monson. Hundreds of people come to Monson to purchase tag sale items, the retail businesses in Monson flourish, and the First Church of Monson raises funds that support the events and missions we offer to the community.

The First Church Congregation (several hundred members and growing!) donates well over \$20,000 every year which helps support local families of any faith, various charities in Monson, surrounding communities and missions throughout the world. And when tragedy strikes, First Church and its members are always there to help. All fund raising activities are run by volunteers and 100% of the proceeds go to our outreach programs. Please see our Community website at www.monsonlife.com website for a list of charities we support.

We also have space at the First Church Parking Lot for tag sales and craft vendors who want to be near the center of town. Our annual Bar-B-que and picnic, sponsored by Adam's Hometown Market will have drinks and snacks available all day for hungry shoppers and sellers. The limited number of 20'x 20' spaces are available on a first come - first served basis and last year we sold out early. For those of you in the outlying locations, moving your sale to the church is a great way to get more exposure for your tag sale.

If you would like to take part in the **20th Annual Monson Town-Wide Tag Sale**, please fill out the form on the back of this insert or register on-line.
