

Point Cook Runners

PCR Junior members (under 18 years)

It is wonderful to see families running together and we encourage you to get your kids involved. We want our kids to see that running is good for your physical, mental and social health.

PCR Junior members (under 18 years) are welcome at PCR, however they must be run with their parent or an adult designated by their parent. As our volunteer Coach & Run Leaders are not required to have a Working With Children Check, under the [Working with Children Act 2005](#) they are not allowed to have direct supervision of a child.

This means that kids are welcome at all PCR sessions but they must be actively supervised and in sight of their parent or of an adult designated by their parent.
