**Dear Friend,**

We hope this letter finds you well and in good spirits. We're reaching out on behalf of the **Circle Triangle Foundation**, a mission-driven organization dedicated to serving those who protect and serve all of us — New Jersey's State Troopers.

**Every day, New Jersey State Police officers put their lives on the line to keep our families and communities safe.** But when one of these men or women faces suspension — often tied to underlying struggles with substance abuse or mental health — their health benefits are cut off quickly sometimes in 14–30 days. With no appeals process, these officers and their families suddenly lose access to critical medical care, counseling, and rehabilitation at the very moment they need it most.

**This is where the Circle Triangle Foundation steps in:**

**1. Financial Assistance**

Our mission is urgent and clear: we provide direct financial support to ensure suspended officers and their families do not lose access to care during life's most difficult moments. By covering COBRA payments and essential health-related expenses for up to three months, we help bridge the gap until stability is restored.

**2. Preventive Outreach**

We know that the best way to protect officers' well-being is to address problems early. That's why the Circle Triangle Foundation is providing vital outreach programs that connect New Jersey State Troopers with licensed doctors and therapists. These confidential sessions create safe spaces for open discussion — helping officers surface challenges before they grow into serious mental health or substance abuse issues.

**Together, these efforts give officers a real chance to seek treatment, engage in counseling, and address the root causes of their struggles — helping them heal, recover, and return to service stronger than before.**

Behind our mission is a distinguished Board of Directors who volunteer their time and expertise

**Jeff Sica**, Co-Chairperson — CEO, Circle Squared Alternative Investments

**John Koster**, Co-Chairperson — CMO, One Oak Medical Group; COO, Cognosis

**Balpreet Grewal-Virk**, Recording Secretary — SVP, RWJBarnabas Health, Co-Chair of Gateway

**Idida Rodriguez**, Treasurer — Managing Partner, 1868 Public Affairs; Pastor, Ignite! The fire

**Msgr. Eugene Sylva**, Community Member Monsignor, PCSD & PPD Chaplain, FBI Chaplain SDNY
