Pastor's Notes

Church, by God's grace and favor, we made it back from Belize as scheduled (11:40pm on Thursday, March 14) in spite of a very large snowstorm that started in Denver twenty four hours later. My brother, who lives in Brighton, reported 16 inches of snow that night, while in Wiggins, we only had 2-3 inches.

The time in Belize was marvelous. Everything worked wonderfully - no lost baggage, no illnesses, no accidents and no troubles at all...hallelujah!

We met at the Denver Airport at 3am on March 7th and arrived on time in Belize City at 1:15pm. As usual, there was an initial slowdown going through Customs, but the Lord blessed us and we were cleared quickly with our 50 bags of luggage.

There were 23 people on our team comprised of 2 emergency room doctors, a nurse practitioner, 3 nurses, five children under 14 and 13 adults. Everyone was divided into teams for registration/triage, pharmacy, dental supplies, vitamins and other various hygiene items, eyeglasses, medicines, games for children and a prayer station for everyone.

Officially we treated 330 men, women and children, but unofficially we probably saw between 500-600, who each received vitamins, toothpaste/brush and a Bible.

I was able to minister to many men and women, preach on Sunday and enjoy the company of great godly people. I was also able to spend some time with our bus driver, Elias, who was with us for 8 days. After this my brother Bryan was able to lead him to a place where he accepted Christ as his savior. Many spiritual seeds were planted, love was shared and our hosts, Pastor David and Dupe Adegbami, were ministered to greatly.

A big thanks to each of you for your support both in prayers, financially and all the other gifts you gave to make this mission the success it was. It was a group and church effort and many lives were touched.

Thank you again from Pastor Darrel, Sue Glazier, Jerrad Mildenberger, Scott Clement, Sergio Rivera, Rhonda Schuling, Esther Lingo, Gail Stencil and all the others who were part of this team.
