Pastor's Notes

As I was driving yesterday I noticed the great contrast of the clouds and the blue skies. I have also notice, in the weeks past, we are blessed with some of the most spectacular sunrises and sunsets in the country if not the world.

As I was thinking about the sunrises and what make them so spectacular I saw it was the clouds and how they reflected the sun. I assume because of the amount of moisture, density of the clouds and position of the sun, you get the varying colors, textures etc. But when there are no clouds the sun rises and sets without much fanfare. The sun is pretty in its own right but nothing compared to when there are clouds in the sky to reflect its rays.

I wonder if life is like that at times? When things are going along without much difficulty, controversy or challenges (clouds in our lives) then the "Son" rises and sets without much fanfare. We are faithful to the "Son" in our lives in the daily tasks and some do notice the beauty of our Christ-likeness in general but because there is are no hard challenges going on at the moment there is no opportunity to see God working in and through us in the spectacular ways.

Now, I am not wishing for myself or for anyone to experience the hard, challenging things in life, but I think most would agree that challenging times do come to each of us.

You might have heard it said that hard times bring out the best in people. We have seen this to be true when various disasters occur around the country and the world. People step up to the challenge that is front of them. For Christians this "stepping up" operates at an even higher level. It may not be a large disaster that occurs in the community but a disaster that occurs in your life. Disasters come in different forms don't they? But each and every one is a great opportunity for the Son to be reflected in our lives in wonderful and spectacular ways.

1 Corinthians 12:9b-10 says, "Most gladly, therefore, I will rather boast about my weaknesses, that the power of Christ may dwell in me. Therefore I am well content with weaknesses, with insults, with distresses, with persecutions, with difficulties, for Christ's sake; for when I am weak, then I am strong."

When we come to Christ in our weaknesses, in our challenges, in our disasters He will rise up in us ways that are spectacular and wonderful and that will make others around us stop and ponder the beauty of what they are beholding. They are beholding the beauty of the Son.

Think on this when you see those wonderful Colorado sunrises and sunsets.

In much love,
Pastor Darrel

WCC Services LIVE on Facebook!

The response to the Facebook posting of the services has been tremendous. Over 500 people each Sunday are viewing the services. If you have not had a chance to check us out on Facebook you can tune in live at 10:00 each Sunday by clicking on the church's Facebook account or you can go anytime to www.wigginscommunitychurch.com and click on video found along the left side of the page. A Warning...If your internet speed is not adequate or your computer is dated, the video may come in a little choppy, stopping and starting. This is nothing we can correct from our end but must be addressed by updating your computer or contacting you internet provider, asking to up your internet speed. Thank you Kyle Bernhardt for volunteering to provide this service to the church!

A Little Change Can Change a Life!

Please join us Mother's Day through Father's Day in bringing hope to the expectant mothers and fathers in our communities by joining our Baby Bottle Campaign. Making a difference is as easy as 1-2-3 Step 1: Pick up a baby bottle Step 2: Fill it with change, cash or checks Step 3: Return the bottle on Father's Day. Every bottle counts! The funds raised help the Pregnancy Center offer love, grace and hope within our communities.

Note of thanks

We would like to thank all our friends and relatives for the kindness shown us at the time of Gerald's death. The food, flowers, cards, call, visits and memories were greatly appreciated and will always be remembered. A special thank you to the WCC Women's Fellowship for the nice luncheon.

WCC Board News

The Wiggins Community Church Board met for their monthly meeting on May 7th, 2019. The board meeting was Called To Order at 6:37 PM by Moderator Gideon Oleari. Every voting board member was present for the meeting. Pastor Darrel brought forth an important devotional for this meeting. He shared Bible verses that he has been running through with the Pastoral Alliance in Fort Morgan. He broke down how we can use the Lord's Prayer for our everyday prayers, breaking down each section. We need to be responsible for the business of the Church. However, we are also counselors, leaders, board members, and need to be focused on being disciples and making disciples, building the Church up. If we are not personally involved in making disciples, the next most powerful thing would be prayer. Prayer for unity, so we can be one, and we can pray for this as a Church. We are doing well! We are probably ministering to around 200 people at this time if we count everyone, and unity can be powerful here. Prayer for protection and helping the disciples become sanctified is also very important. Let people be sanctified by the truth of God's word. Pastor Darrel referred us to the prayers Paul had for the discipleship of the believers.

Church attendance continues to be on the rise as we had a successful April. The same can be said about the inflow coming in. For Easter, we had 210 at Sunrise Service! The board also approved a bid for installation of an air conditioner to cool the basement, choir room and cry room. Sunday School class attendance is still high for the year, and with Kingdom Kidz wrapping up for the year, Vacation Bible School is next, from June 10th through the 13th.

The Next WCC Board Meeting is scheduled for June 4th, 2019 at 6:30 PM.
The Historian committee is asked to attend the June 4 meeting.
