Henry,

Thank you and everyone on your end for all of your efforts and diligence on this! We realize that the pandemic made this whole process way more work and hassle than normal We are extremely grateful you did not take a low-ball 'final offer' from as final and persevered until you convinced them of the merits of our case.

As discussed on the phone, we realize didn't become a multi-billion dollar corporation by rushing checks to customers with defective vehicles, so we're very patient and will wait until we hear back from someone there.

You exceeded our expectations, so we are very happy and extremely satisfied with your representation and work!

Thank you again!
