NATURAL PRODUCTS

SEA BUCKTHORN & HONEY

SPRING 2025

TRUSTED NATURAL SKINCARE SINCE 2008.

Bee By The Sea is an independently owned Canadian company specializing in natural skin and hair care products. We manufacture, test, package, and ship directly from our facility in Ontario.

Our products are produced in small batches and made with carefully selected ingredients that are natural, safe, and of the highest quality. We have an established reputation as a trusted natural skincare brand offering premium, effective products at affordable prices.

WHY YOUR CUSTOMERS WILL LOVE US.

We offer a wide range of natural products for the face, body, and hair. Because our products are unisex and free of harmful substances like parabens, petroleum, and sulfate, they appeal to a diverse range of customers—particularly those who are invested in skincare and wellness.

WHY YOU WILL LOVE US.

We believe that mutual support is essential in a successful partnership. As a valued retailer, you'll receive special benefits that are exclusive to our wholesale partners:

We will promote your store or brand by directing customer inquiries to local businesses in their area.

You will receive a free body cream tube tester with every order.

Low minimum order amount.

Low flat-rate shipping and prompt delivery.

Easy online ordering specifically for retail partners.

BECOME A RETAIL PARTNER.

Join the 500+ retailers who have given their customers a skincare option that is natural, effective, and well-loved by thousands of people! We have successful wholesale partnerships with pharmacies, gift shops, floral boutiques, garden centres, wellness centres, bookstores, hardware stores, general stores, and many other places in North America.
