

## Mission “Ramp It Up!”

The “Ramp It Up” project has begun with the installation of the handicapped entry door. Work continues for building an 8’x8’ deck with a 12’ Ramp to facilitate wheelchair access.

Concrete work will include a 4’ wide by 50’ long sidewalk with an attached 12’x16’ car parking area.

We are excited to see progress. If you can help with the labor needed to continue the project, call Tom Bossmann at 507-291-1357.

Everyone can help with continued donations to cover the materials for the rest of the work. Anything you can do is greatly appreciated. We are extremely grateful to those who have already given generously to this work. Thank you. The mission committee, Kim Bossmann, chair.

## Confirmation Buddies Get Together

Linda Hellevik with Kaylee Kern; Ernie Morris with Brandon Kern; Irene Eiler with Kelsey Kern met at Joe’s for a catch-up discussion with their buddies to continue friendships started during their confirmation. Christian Webber was a part of this group but not in the picture. Irene said, “It is fun keeping up with the kids.”
