Creed: What Christians Believe and Why

Christians have been rehearsing in worship and proclaiming the truths of the Apostles' Creed since at least the 2nd century. And it's long been a part of the Church's baptismal liturgy. Lent is the 40 day season (not including Sundays) of fasting, penitence, study, and prayer that prepares Christians to commemorate Christ's death faithfully and meaningfully and to celebrate his resurrection and renew our baptismal promises. Together, we will be exploring the Apostles' Creed as our path to a deeper faith. We'll unpack each article of the Creed to uncover its relevance for our lives today. Invite a friend to join you for this series that will challenge and inspire you.

First Sunday in Lent, March 10: "God, the Father Almighty"

Second Sunday in Lent, March 17:
"Jesus Christ, His only Son, our Lord"

Third Sunday in Lent, March 24: "Holy Spirit"

Fourth Sunday in Lent, March 31
"The Church and the Communion of Saints"

Fifth Sunday in Lent, April 7 "The Forgiveness of Sins"

Passion/ Palm Sunday, April 14 "Meditations on the Passion"
