

Cheesequake Bulletin

SEPTEMBER 2025

Dear Fellow Villagers:

Summer seems to go faster each year. Hard to believe we are heading into Fall already. The pool closing party is scheduled for Saturday, September 6 with a rain date of September 7 from 12:00 noon until 8:00 pm. The band, Sunset Soundz, will play from 3:00 until 7:00. Tickets are \$20 and must be purchased in the Office by September 3.

The next meeting of the CVA Board will be held on Thursday, September 18 beginning at 7:00 PM. Please try to attend as Detective Donofrio from Old Bridge Police Department will be attending to speak about safety and scams.

If you have an emergency in your home, such as a backup after hours, please do not leave a message at the office. Call the emergency number 732-425-2011 for assistance. Maintenance is on call 24/7 and they will help you. Please do not go to any Trustee's home.

Since July 1, the Maintenance fee is \$215 per month. Any payment received after the 15th of the month will be subject to a \$25 late fee per month. Also, to avoid a late fee, please ensure you have scheduled your Zrent and bank-issued payments so they arrive at the Office before the 15th of the month.

Over the summer there have been concerns and complaints regarding noise and other issues. Please remember that consideration must be given to surrounding neighbors.

Additionally, with regard to walking dogs behind units, requests have been made to refrain from this practice. While all the area outside of the units is common ground, it does impede privacy.

The Activities Committee has been busy planning activities for the Fall. The semi-annual Flea Market will be held on Saturday, October 4.

Why Music and Memories Are Like Neighbors in the Brain

Have you ever wondered what it is about music that makes us feel like we've been transported through time, back to memories we'd long forgotten?

Turns out, there's a science to it.

When we ran our music-themed quiz in the last issue, the response was overwhelming. Members wrote in droves to say how the songs had transported them – back to drive-in theaters, to their first car with fuzzy dice on the mirror, to front porches and vinyl records spinning all summer long. One reader told us a single question brought her to tears – “in the good way,” she clarified. That got us thinking: Why does music do that?

There's a science-backed explanation behind that lump in your throat when the first notes of your wedding song play. Neuroscientists say music and memory are like neighbors in the brain – physically close and emotionally connected. When we hear a melody tied to our past, it lights up the same regions that help us store and retrieve long-term memories. It's not just a flashback – it's a full-sensory time machine.

Even more fascinating? Our brains form especially strong music memories between the ages of 10 and 25 – a phenomenon researchers call the “reminiscence bump.” That's why the lyrics to every 60s or 70s hit are still somehow filed away in your mental jukebox, even if you forget where you put your glasses this morning.

And here's the good news: Music doesn't just bring back the past. It can boost mood, sharpen recall, and even help slow cognitive decline. In other words, dusting off those old records isn't just nostalgic – it's therapeutic.

So go ahead: Make a playlist of your youth. Sing out loud. Dance in the kitchen. The music may fade, but the memories – those beautiful, echoing memories – will always play on.

September 11, 2001 is etched in our collective memory – a day of loss, courage, confusion, and unity.

Each year, we pause to remember not just the tragedy, but the extraordinary bravery, compassion, and resilience that followed.

For many, 9/11 is personal.

For others, it's a reminder of how fragile and precious life is.

Whether you're reflecting privately, writing a tribute, or sharing a post on social media, let these words help you express what's often hard to say.

**We remember. We honor.
We carry forward**

Labor Day Was Celebrated Before There was a Labor Department – The U.S.

Department of Labor was founded on March 4, 1913. What's interesting about that is Labor Day itself became a federal holiday back in 1894. And the very first celebration of the holiday occurred in 1882, a full 31 years before the government agency was founded.

The Destination of the Year 2005 – If you're among those hitting the road or flying the friendly skies on Labor Day this year, you might be interested to know where to go. According to Travel & Leisure, 2025's Destination of the Year is Thailand.

The Origins of "Labor" – Defined as an "expenditure of physical or mental effort especially when difficult or compulsory" the first-known use of the word dates back to the 14th century. Some of the most common phrases associated with the word are: labor union, hard labor, division of labor and labor-intensive.

New Jersey is Home to the American Labor Museum – Once home to Pietro Bozzo, a silk mill worker back in the early 1990s, the Haledon, New Jersey property is now a museum where visitors can tour Botto's old Victorian house. Its significance is that it was once the site of a groundbreaking labor strike. In 1913, more than 20,000 silk mill workers gathered at the Italian immigrant's home to organize a protest over poor working conditions and advocate for the end of child labor, among other demands, which eventually lead to sweeping labor reform.

Today, the American Labor Museum offers various exhibits and events to recognize the contributions of all workers.

Footsteps in History By CVA Trustee James Nolan Episode 25 – September 2025 – "General Lee's Special Order 191"

During the American Civil War, in 1862, General Robert E. Lee and his Confederate Army of Virginia, achieved significant victories repelling George B. McClellan's Union Army in The Battle of Seven Days, Second Manassas (Bull Run), and Fredericksburg. His army was now moving into Maryland to deliver a final blow and defeat the Union Army. He issued a general movement order to all his division commanders known as Special Order 191. One copy, wrapped in three cigars, was lost in delivery, and found by a Union soldier who brought it to General McClellan, who changed the direction of his movement to conform to Lee's movements described in Special Order 191. He then promptly attacked the Confederate forces, and Lee, whose forces were not in position yet, was caught off-guard. What occurred was the Battle of Antietam, which was the bloodiest day in American History, with 23,000 casualties, including over 3,600 fatalities. Corporal Mitchell, who found the orders, was subsequently wounded in the leg at Antietam and discharged in 1864 due to the resulting chronic infection. He died in 1868 at the age of fifty-two. Of note here, is that sometimes history is decided by the most unexpected occurrences, hence the proverb, "Expect the unexpected."

KEYS IN THE OFFICE!

It is important to keep a set of your house keys or your security keypad code at the office in case of an emergency where entry into your unit is necessary. The keys are kept in a secure file cabinet in the office. If entry is needed, only a Board Member and a Maintenance member would enter.

GUESS THE CITY!

This city was the first US capital under the Articles of Confederation and played a key role in the American Revolution. Answer on the Reminders page.

HIGHLIGHTS OF THE JUNE 19, 2025 CVA MEETING

Trustee James Nolan, Regulatory & Compliance:

Jim welcomed all to the meeting and was the moderator. A salute to the flag was conducted including a moment of silence for the sick, suffering, essential workers, and those serving in the Military. The next open CVA meeting is Thursday, September 18. The minutes of the last meeting were read and accepted. There will be two question and answer sessions: one after the treasurer's report and one at the end of the meeting.

Pres. Maureen Doloughty: Our lawyer and our insurance representative said that insurance companies have stopped writing policies for buses such as the one we were using in our Village. Insurance companies do not want to assume the liability. We cannot use the bus without insurance. We looked into a 15 passenger van and found it would be difficult to get into for the older residents. Kevin tried to get a used bus from the Township but they don't have one and don't know where to get one. He will look into it further and for a company that leases buses. The Summer Fling will now be held at the pool on Saturday, June 21 from 6 -10 PM Fee is \$10. Maureen recounted a very scary scam phone call she received requesting money. The police were called and detectives told her it was a scam and to put the money back in the bank. The scam artist hung up before the detectives could trace the call. Kevin said that the police in September would be giving out literature in our Village giving tips on scams. Maureen mentioned that "Be A Good Neighbor" signs would be put up for picking up your dog poop.

VP Ken Rigatti: The food truck, Fatty Fats Snacks, will start on Wednesday, June 25 from 3-7PM. It will be in front of the Clubhouse for all residents and friends. The menu is on their website. Bocce Ball practice will begin the week of June 23 on Tuesday, Thursday and Saturday at 9 AM. You don't have to know how to play. A water problem in back of Haven at the entrance was reported by residents. A sewer pipe broke about 10 years ago. Still trying to get in touch with the ice cream truck which has been seen in our Village around 9 PM.

Treasurer Patricia Smith: Absent.

Trustee Kevin Garcia: The treasurer's report for May was presented by Kevin and accepted as read. The \$215 increase of the Maintenance Fee because of the Reserve Study goes into effect on July 1, 2025.

Trustee Rich Kubian: Keys in the Office would be helpful when we are trying to get into a residence with a water problem. Maintenance will be doing concrete work on curbs. Please be patient – we are training the landscapers. After we reseed the lawns, residents must water their lawns. For gutter cleaning, call the Office. Now looking for someone to do power washing.

Trustee Jeff Pantalas: Absent.

A question-and-answer period followed the presentations including: double lines will be done on Haven, and plumbers can call the Office for referrals. Talent show in September. If interested, call the Activities Committee. Recycling changes by the Township will not affect our Village. For your information the county bus from the Senior Center does go to supermarkets.

Barbara Karlik from the Sunshine Club informed the attendees that 10 gift bags were delivered to the homebound. The Senior Luncheon for the 85+ residents was held on June 5 for only 5 people. She thanked the Board members who participated.

FROM THE BOARD FALL REMINDERS

OVERGROWN BUSHES & PLANTS: Your gardens are in full bloom. Please trim the flowers and bushes below your front windows and along the walkways. The Fire Dept. requires it in case of an emergency where you have to vacate your unit.

**BBQ GRILLS MUST BE 10 FEET AWAY
FROM THE BUILDINGS:** People living in one-bedroom units or the second floor Gettysburgs can only use electric grills. NO COOKING USING GAS PROPANE OR CHARCOAL GRILLS ON THE BALCONIES!!

REMINDERS

ROOFS, SIDING & SATELLITE DISH:

Absolutely nothing should be put on the siding that would make holes or damage it in any way. That is: no screws, nails, tacks, hooks, or tape. In other words, no attachments such as hoses, ornaments, planters, and any type of decoration. In addition, please remember not to have your Satellite Dish on the roofs or attached to the siding either. You must get an alteration form and Maintenance must show you where to place it for approval.

ALTERATION FORMS: It is imperative that Alteration forms be submitted to the Office for any renovations to the unit. We are required to keep updated records on all units in the Village. Alteration forms will NOT be accepted for electrical or plumbing projects without a copy of the electrician's or plumber's valid license and insurance attached

PARKING PERMIT STICKERS: Every car parked in the Village **MUST** have a parking sticker. Bring your car to the Office with your license and registration. This is mandatory. If you receive a letter about getting a permit, you must reply within 10 days, or you will be fined.

DOGS ON EXTENDED LEASHES: Please be mindful of other people when using extended leashes for your dogs or cats. Your neighbors can easily trip on them. Better yet, try not using them at all because Old Bridge rule allows for only 6 foot long leashes!!

FIBERGLASS BALCONIES: No rugs or any form of carpeting on the new fiberglass balconies or patios. These coverings cause the deterioration of the cement as well as the new fiberglass.

DOG & CAT OWNERS: Dog droppings are still an issue. By law, you must pick up after your pet. If you are observed not picking up after your pet, you will be fined. Please do not walk your pet behind or on the side of other

units since you are intruding on the privacy of other residents. **PICK UP AFTER YOUR PET—IT'S THE LAW -- DON'T DISPOSE OF THE BAG IN THE SEWER OR SOMEONE'S TRASH BIN**

VISITING CHILDREN: Children are not allowed to play in the streets. No bikes or skateboards allowed. Visiting children should be respectful and not disturb neighbors living in the vicinity.

CLOTHESLINES: They must be folded after use. The CVA is not responsible for clotheslines getting damaged by the landscapers.

COMPLAINTS & GRIEVANCES: If you have a complaint or problem with your unit, you must call the Office. If you have a grievance, please submit it in writing to the Office, attention Grievance Committee. It must include your name and address, or it will not be considered for action. Or you can email Maureen Doloughty at Maureen13Hawaii@yahoo.com

CHANGES IN UNITS: As equipment has been changed (Ex: Furnaces, air conditioners, windows), new situations have arisen. When contractors add or change equipment, be advised that these changes created by your contractor are your responsibility and must be maintained by you and be added to your insurance policy. You must apply for an alteration permit from the CVA and from Old Bridge Township before making changes to your unit. Failure to do so will generate a fine.

Answer to "Guess the City!" -- York, PA

FROM THE BOARD

SEWER BACKUP PROBLEMS

If there is a backup in the toilet in your unit, it is the policy of the Cheesequake Village Association that you **first call the office** – or the emergency number after hours ---
(732) 425-2011.

We have a full-time Maintenance Staff and someone is on call 24-7.

A member of the Maintenance Staff will try to clear the obstruction. If the obstruction is in the main sewer line, the staff member will call someone such as A-General to clear the obstruction and the Association will pay for the expense. **If you, as a homeowner, call a plumber without allowing the Association to try to resolve the problem, the Association will not pay for that cost.**

This applies only to toilet backups, not sink or washing machines. Nothing but toilet paper goes down the toilet, that is: NO GREASE, NO WIPES OF ANY KIND, NO RAGS, NO PAPER TOWELS OR KLEENEX AND NO DIAPERS. **If it is determined that any of these items come from your condo, you will be responsible for the repair costs.**

Do not use baking soda and vinegar in your drains. It has been proven to cake up similar to powdered detergents. ZEP and PEQUA, available at Home Depot, are the alternatives to use.

**NO WIPES
NO PLASTIC BAGS
NO ADULT DIAPERS
NO PAPER TOWELS
NO TISSUES
NO RAGS
NO DOG FECES**

WORK ORDER REQUEST

Please be patient after making a work order request to the Office. Our Maintenance Staff takes care of emergencies first and all other work is done in a timely manner.

SELLING YOUR UNIT: If you are selling your unit, it is **mandatory** that you contact the office to inform us of the sale. There is paperwork that needs to be completed and the unit's files in the office need to be updated.

Please drive slowly through the complex. As it gets dark, pedestrians are not easily seen. We have received multiple complaints about vehicles speeding. Watch for deer crossing the roads as these accidents have been reported to the office lately.

If you are interested in helping out your neighbor by driving them to the doctor or someplace else, please call the Office.
